

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

GENERAL

SCHOOL LAWS OF MICHIGAN.

CONSTITUTIONAL PROVISIONS.

ARTICLE X.

FINANCE AND TAXATION.

(1) SECTION 1. All subjects of taxation now contributing to the primary school interest fund under present laws shall continue to contribute to that fund, and all taxes from such subjects shall be first applied in paying the interest upon the primary school, university and other educational funds in the order herein named, after which the surplus of such moneys shall be added to and become a part of the primary school interest fund.

(2) SEC. 2. The legislature shall provide by law for an annual tax sufficient with other resources to pay the estimated expenses of the state government, the interest on any state debt and such deficiency as may occur in the resources.

Under the sections of the constitution providing for uniformity of taxation and conferring power on the legislature to levy a state tax, etc., on cash valuation of property (Art. 10, §§ 2, 8, 7), the state may authorize the review of valuations and assessments by the board of state tax commissioners.—Attorney General v. Board of Supervisors of Midland County, 178 / 518.

ARTICLE XI.

EDUCATION.

(3) SECTION 1. Religion, morality and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged.

It was the intent of the constitution to separate the school organization from the general municipal government. Though municipal corporations, organized for the same purposes, with like powers and duties, cannot exist in the same territory, those having different purposes, rights and duties, may, and often do, occupy the same territory.—Attorney General v. Thompson, 168 / 517. The language of this section is from the ordinance of 1787. The assertion of this doctrine after the lapse of more than a century and a quarter, coupled with the fact that legislation in this state upon the subject of education has from the beginning been of the most liberal character, indicates a settled purpose on the part of the state to provide, foster and protect educational facilities for all.—Dennis v. Wrigley, 175 / 621, 625.

STATE OF MICHIGAN.

(4) SEC. 2. A superintendent of public instruction shall be elected at the regular election to be held on the first Monday in April, nineteen hundred nine, and every second year thereafter. He shall hold office for a period of two years from the first day of July following his election and until his successor is elected and qualified. He shall have general supervision of public instruction in the state. He shall be a member and secretary of the state board of education. He shall be ex-officio a member of all other boards having control of public instruction in any state institution, with the right to speak but not to vote. His duties and compensation shall be prescribed by law.

(5) SEC. 3. There shall be a board of regents of the university, consisting of eight members, who shall hold the office for eight years. There shall be elected at each regular biennial spring election two members of such board. When a vacancy shall occur in the office of regent it shall be filled by appointment of the governor.

(6) SEC. 4. The regents of the university and their successors in office shall continue to constitute the body corporate known as "The Regents of the University of Michigan."

(7) SEC. 5. The regents of the university shall, as often as necessary, elect a president of the university. The president of the university and the superintendent of public instruction shall be ex-officio members of the board of regents, with the privilege of speaking but not of voting. The president shall preside at the meetings of the board and be the principal executive officer of the university. The board of regents shall have the general supervision of the university and the direction and control of all expenditures from the university funds.

Under this provision the board of regents has independent control of the affairs of the university.—Regents v. Auditor General, 167 / 444. Neither the legislature, nor any officer or board of this state, may interfere with the control and management of the affairs and property of the university, although in making appropriations for its support the legislature may attach any conditions it may deem expedient and wise, and the appropriation cannot be received without complying with the conditions.—Agler v. Mich. Agricultural College, 181 / 559.

(8) SEC. 6. The state board of education shall consist of four members. On the first Monday in April, nineteen hundred nine, and at each succeeding biennial spring election, there shall be elected one member of such board who shall hold his office for six years from the first day of July following his election. The state board of education shall have general supervision of the state normal college and the state normal schools, and the duties of said board shall be prescribed by law.

(9) SEC. 7. There shall be elected on the first Monday in April, nineteen hundred nine, a state board of agriculture to consist of six members, two of whom shall hold the office for two years, two for four years and two for six years. At every regular biennial spring election thereafter, there shall be elected two members whose term of office shall be six years. The members thus elected and their successors in office shall be a body corporate to be known as "The State Board of Agriculture."

(10) SEC. 8. The state board of agriculture shall, as often as necessary, elect a president of the agricultural college, who shall be ex-officio a member of the board with the privilege of speaking but not of

voting. He shall preside at the meetings of the board and be the principal executive officer of the college. The board shall have the general supervision of the college, and the direction and control of all agricultural college funds; and shall perform such other duties as may be prescribed by law.

The state board of agriculture has exclusive control of the general funds of the Michigan agricultural college.—*Bauer v. State Board of Agriculture*, 164 / 415.

The constitutional powers of the state board of agriculture with respect to the college and its funds are the same as those of the board of regents of the university with respect to the university and its funds.—*State Board of Agriculture v. Auditor General*, 180 / 349, 359; *Agler v. Mich. Agricultural College*, 181 / 559, 561. See note to section 7.

(11) SEC. 9. The legislature shall continue a system of primary schools, whereby every school district in the state shall provide for the education of its pupils without charge for tuition; and all instruction in such schools shall be conducted in the English language. If any school district shall neglect to maintain a school within its borders as prescribed by law for at least five months in each year, or to provide for the education of its pupils in another district or districts for an equal period, it shall be deprived for the ensuing year of its proportion of the primary school interest fund. If any school district shall, on the second Monday in July of any year, have on hand a sufficient amount of money in the primary school interest fund to pay its teachers for the next ensuing two years as determined from the pay roll of said district for the last school year, and in case of a primary district, all tuition for the next ensuing two years, based upon the then enrollment in the seventh and eighth grades in said school district, the children in said district shall not be counted in making the next apportionment of primary school money by the superintendent of public instruction; nor shall such children be counted in making such apportionment until the amount of money in the primary school interest fund in said district shall be insufficient to pay teachers' wages or tuition as herein set forth for the next ensuing two years.

As proposed by concurrent resolution No. 1, Public Acts of 1911, pages 537-8; ratified April 3, 1911.

(12) SEC. 10. The legislature shall maintain the university, the college of mines, the state agricultural college, the state normal college and such state normal schools and other educational institutions as may be established by law.

(13) SEC. 11. The proceeds from the sales of all lands that have been or hereafter may be granted by the United States to the state for educational purposes and the proceeds of all lands or other property given by individuals or appropriated by the state for like purposes shall be and remain a perpetual fund, the interest and income of which, together with the rents of all such lands as may remain unsold, shall be inviolably appropriated and annually applied to the specific objects of the original gift, grant or appropriation.

(14) SEC. 12. All lands, the titles to which shall fail from a defect of heirs, shall escheat to the state, and the interest on the clear proceeds from the sales thereof shall be appropriated exclusively to the support of the primary schools.

(15) SEC. 13. The legislature shall appropriate all salt spring lands

STATE OF MICHIGAN.

now unappropriated, or the money arising from the sale of the same, where such lands have already been sold, and any funds or lands which may hereafter be granted or appropriated for such purpose, for the support and maintenance of the agricultural college.

(16) Sec. 14. The legislature shall provide by law for the establishment of at least one library in each township and city; and all fines assessed and collected in the several counties, cities and townships for any breach of the penal laws shall be exclusively applied to the support of such libraries.

(17) Sec. 15. Institutions for the benefit of those inhabitants who are deaf, dumb, blind, feeble-minded or insane shall always be fostered and supported.

(23) § 4642. SEC. 4. He shall in the year nineteen hundred twelve, and annually thereafter on receiving notice from the auditor general of the amounts thereof and between the fifth and fifteenth days of July apportion the primary school interest fund among the several townships and cities of the state in proportion to the number of children in each between the ages of five and twenty years as the same shall appear by the reports of the several township clerks made to him for the school year closing in July of the preceding year, and shall prepare a statement of the amount in the aggregate payable to each county, and shall deliver the same to the auditor general, who shall thereupon draw his warrant upon the state treasurer in favor of the treasurer of each county for the amount payable to each county. notices to the clerks of the several counties of the amount in the aggregate to be disbursed in their respective counties, and the amount payable to the townships and cities therein respectively. The primary school interest fund payable under the law now existing shall be apportioned and paid between the first and tenth days of November, nineteen hundred eleven: Provided, That, if any deficiency shall be caused in the teachers' wages fund in any school district by the changing of the date of the apportionment of the primary school interest fund by the superintendent of public instruction, the school board or board of education of said district shall have authority first to borrow on the warrant of the district a sum sufficient to meet such deficiency or, second, to borrow and issue bonds of the school district for the sum of such deficiency for a period not to exceed five years.

Am. 1905, Act 72; 1911, Act 217.

Where the superintendent of public instruction directed the payment of the apportionment of funds to one of the four districts of the township, the direction for payment of the funds followed the same into the hands of the township treasurer, and no other or further apportionment was necessary or could be made by the township clerk, who was powerless to alter or modify the action of the superintendent of public instruction.—*Mullen v. Watson*, 60/415. The assessor of the district, to whom the money was paid, being assessor *de facto*, the question of whether or not he was also assessor *de jure* could not be raised in this case.—*Id.* It has from the beginning been the policy of this state to maintain its primary schools for the education of children within school age, and to that end it has always caused to be set aside certain revenues, which, by statute are apportioned to the several counties according to the number of children residing in each county within the age limit, "as the same shall appear by the reports of the several school boards or school inspectors made" for that purpose.—*Muskegon Public Schools v. Wright*, 176/6, 12.

Proceedings
in case of
defective
returns.

(24) § 4643. SEC. 5. Whenever the returns from any county, township, city, or district, upon which a statement of the amount to be disbursed or paid to any such county, township, city, or district shall be so far defective as to render it impracticable to ascertain the share of primary school interest fund which ought to be disbursed or paid to such county, township, city, or district, he shall ascertain by the best evidence in his power the facts upon which the ratio of such apportionment shall depend, and shall make the apportionment accordingly.

When defi-
ciency may be
apportioned
the next year.

(25) § 4644. SEC. 6. Whenever any county, township, city, or district, through failure or error in making the proper report, shall fail to receive its share of the primary school interest fund, the superintendent of public instruction, upon satisfactory proof that said county, township, city, or district was justly entitled to the same, shall apportion such deficiency in his next apportionment; and whenever it shall appear to the satisfaction of said superintendent than any district has had three months' school, but failed to have the full time of school required by law, through no fault or negligence of the district or its officers, he may include such district in his apportionment of the primary school interest fund in his discretion.

(26) § 4645. SEC. 7. The superintendent of public instruction shall perform such other duties as are or shall be required of him by law, and at the expiration of his term of office deliver to his successor all property, books, documents, maps, records, reports, and all other papers belonging to his office, or which may have been received by him for the use of his office.

Other duties
of superin-
tendent.

CHAPTER II.

FORMATION, ALTERATION, MEETINGS, AND POWERS OF DISTRICTS.

(27) § 4646. SECTION 1. The township board of each township shall have authority to divide the township into such number of school districts as may from time to time be necessary, which districts it shall number, and it may regulate and alter the boundaries of the same as circumstances shall render proper; and each district shall be composed of contiguous territory and be in as compact a form as may be. Districts heretofore organized shall remain and have the same boundaries as at the time of the passage of this act, subject to change hereafter in the discretion of the township board.

Am. 1901, Act 37; 1909, Act 31.

PRIMARY SCHOOL SYSTEM: The whole primary school system was confided by the constitution to the legislature and it cannot be said that the officers of school districts chosen pursuant to the system adopted by the legislature, are constitutional officers.—Belles v. Burr, 76/11. The constitution of 1850 left to the legislature, as did the preceding constitution, the establishment of a system of primary schools, restricting the legislature only by providing that a school shall be kept, without charge for tuition, at least three months in each year, and that all instruction shall be conducted in the English language. All other matters seem to be within the discretion of the legislature.—Perrizo v. Kesler, 93/283; People v. Howlett, 94/168; Plingree v. Board of Education, 99/408. The constitution of 1909 provides, that a district maintain school five months in each year in order to participate in the primary interest fund. Our primary school system is the pride of the state.—People v. Howlett, 94/169.

FORMATION OF DISTRICTS: See Doxey v. Sch. Inspectors, 67/603; Brody v. Penn. Twp. Board, 32/273; Sch. Dist. v. Sch. Dist., 81/343; Simpkins v. Ward, 45/561. See Briggs v. Borden, 71/89-90; People v. Davidson, 2 Doug. 121; Brewer v. Palmer, 13/107. When two districts are annexed without any other change in their boundaries, the mere fact that one number is preferred to another does not change the real character of the annexation.—Brewer v. Palmer, 13/109. When one district is annexed to another, its corporate existence ceases and it cannot be sued for debts; the new district must be held responsible for them.—Id. But when a district is parcelled out among several other districts, the latter cannot be held jointly liable for the debts of the former; whatever they are bound to pay is a several and not a joint obligation.—Halbert v. Sch. Dists., 36/421. Change of a district formed by special act of the legislature.—Sch. Dist. v. Dean, 17/223. The organization of a new township severs its territory from the school district within which it was formerly embraced.—People v. Ryan, 19/203. See section 35.

QUESTIONING REGULARITY: The regularity of the proceedings for the formation of a district and the existence of it cannot be questioned collaterally, but only in direct proceedings.—Clement v. Everest, 29/19. See Sch. Dist. v. Inspectors, 27/3; Stuart v. Sch. Dist., 30/69; Lord v. Every, 38/405; Bird v. Perkins, 33/30; Stockle v. Silsbee, 41/621; Keweenaw Ass'n v. Sch. Dist., 98/437. The legality of the organization and existence of the district cannot be tested by certiorari.—Jaquith v. Hale, 31/430. Certiorari to review the proceedings in organizing a district will not lie after the district is actually organized and has assumed the functions of a corporation; its corporate existence must then be tested by quo warranto.—Sch. Dist. v. Inspectors, 27/3; People v. Gartland, 75/143. But there should be some special and extraordinary reason to justify interference by quo warranto with the organization of a school district, as the statutes provide a speedier remedy by an appeal from the district board to the township board.—Lord v. Every, 38/405. And the supreme court will not meddle with the con-

cerns of school districts, on mandamus, except on things of substance.—Sch. Dist. v. Riverside Twp., 67 / 406. The facts in regard to the notices and proof of posting are sufficiently established if set out in the return of the board, though not appearing in the clerk's minutes of the proceedings. The act of detaching territory from two school districts and forming a new district by one and the same motion, after parties interested have had ample opportunity to be heard on both questions, is valid.—Smelzer v. Inspectors Big Prairie Twp., 125 / 666.

Notice to inhabitant on formation of district.

(28) § 4647. SEC. 2. Whenever the township board of any township shall form a school district therein, it shall be the duty of the clerk of such board to deliver to a taxable inhabitant of such district a notice in writing of the formation of such district, describing its boundaries and specifying the time and place of the first meeting, which notice, with the fact of such delivery, shall be entered upon record by the clerk. The said notice shall also direct such inhabitant to notify every qualified voter of such district, either personally or by leaving a written notice at his place of residence, of the time and place of said meeting, at least five days before the time appointed therefor; and it shall be the duty of such inhabitant to notify the qualified voters of said district accordingly, and said inhabitant, when he shall have notified the qualified voters as required in such notice, shall endorse thereon a return showing such notification with the date or dates thereof, and deliver such notice and return to the chairman of the meeting, to be by him delivered to the director chosen at such meeting, and by said director recorded at length as a part of the records of such district.

Am. 1909, Act 31.

NOTICE: The board may, under one notice, at one meeting, by separate action, detach lands from separate school districts and attach them to one district.—Doxey v. School Inspectors, 67 / 601. Irregularity in notice.—Parman v. Inspectors, 49 / 63. See Roesser v. Gartland, 75 / 144.

RECORDS: Importance of.—Sch. Dist. v. Snell, 24 / 352.

Proceedings in case of failure to organize district.

(29) § 4648. SEC. 3. In case the inhabitants of any district shall fail to organize the same in pursuance of such notice as aforesaid, the said clerk shall give a new notice in the manner hereinbefore provided, and the same proceedings shall be had thereon as if no previous notice had been delivered.

Fractional districts, how formed.

(30) § 4649. SEC. 4. Whenever it shall be necessary or convenient to form a district from two or more adjoining townships, the township boards, or a majority of them, of each of such adjoining townships, may form such district, to be designated as a fractional district, and direct which township clerk shall make and deliver the notice of the formation of the same to a taxable inhabitant thereof, and may regulate and alter such district as circumstances may render necessary in the same manner that other districts are altered. The annual reports of the director of such district shall be made to the clerk of the township in which the schoolhouse may be situated, and the township board of such township shall number said district.

Annual reports, where made.

Am. 1909, Act 31.

Saginaw Twp. v. Sch. Dist., 9 / 544; Brewer v. Palmer, 13 / 109.

(31) § 4650. SEC. 5. Every such school district shall be deemed duly organized when any two of the officers elected at the first meeting shall have filed their acceptances in writing with the director, and the same shall have been recorded in the minutes of such first meeting. Every school district shall in all cases be presumed to have been legally organized when it shall have exercised the franchises and privileges of a district for the term of two years; and such school district and its officers shall be entitled to all the rights, privileges and immunities, and be subject to all the duties and liabilities conferred upon school districts by law. Any school district shall lose its organization as follows:

(a) Whenever there are not three or more persons in such district qualified under the law to hold district offices;

(b) Whenever such district shall fail to maintain school for the time required by law for a period of two successive years either within its own boundaries or by providing for the education of the children in other districts. Upon the happening of either condition, the township board, or joint board, if such district be fractional, shall declare by resolution such district dissolved and shall immediately attach the territory thereof, in whole or in part, to other districts already organized and make an equitable distribution of the money, property and other material belonging to such district among the districts to which the territory thereof shall be attached, in accordance with the provisions hereinafter stated.

Am. Id.

PRESUMPTION OF LEGAL ORGANIZATION: When a district has exercised the franchises and privileges of a school district for over two years, it is too late to question the legality of its organization.—Sch. Dist. v. Sch. Dist., 63 / 56; Sch. Dist. v. Sch. Dist., 81 / 343; Ed. of Ed. of Traverse City v. Straub, 182 / 665. The same rule which recognizes the right of officers de facto recognizes corporations de facto.—Clement v. Everest, 29 / 23. In public affairs, when the people have organized themselves under color of law into the ordinary municipal bodies, and have gone on year after year raising taxes, making improvements and exercising their usual franchises, their rights are properly regarded as depending quite as much on the acquiescence as on the regularity of their origin, and no ex post facto inquiry can be permitted to undo their corporate existence.—People v. Maynard, 16 / 470. As to questioning the regularity of organizations, etc., see note to section 27.

(32) § 4651. SEC. 6. The record of the first meeting made by the director shall be prima facie evidence of the facts therein set forth and of the legality of all proceedings in the organization of the district prior to the first district meeting; but nothing in this section contained shall be so construed as to impair the effect of the record kept by the township board as evidence.

CORPORATE POWERS OF DISTRICTS.

(33) § 4652. SEC. 7. Every school district organized in pursuance of this chapter, or which has been organized and continued under any previous law of the state or territory of Michigan, shall be a body corporate, and shall possess the

usual powers of a corporation for public purposes, by the name and style of "school district number (such number as shall be designated in the formation thereof by the township board), of (the name of the township or townships in which the district is situated)," and in that name shall be capable of suing and being sued, of contracting and being contracted with, and of holding such real and personal estate as is authorized to be purchased by the provisions of law, and of selling the same.

Am. Id.

CORPORATE POWERS: The school district, under our statutes, is a corporation, and, as such corporation, is represented by three officers; a moderator, director and assessor. The affairs of the district are managed and controlled by them, under certain restrictions.—Sch. Dist. v. Sch. Dist., 63 / 57. A school district can take and hold bequests of money for the maintenance of a public library for the use and benefit of the residents of the district.—Maynard v. Woodward, 36 / 423. School districts, like townships and counties, are subdivisions of the state. This section gives them the capacity to sue and be sued.—Van Wert v. Sch. Dist., 100 / 333. School districts are municipal corporations.—Seeley v. Board of Ed., 39 / 486; Sch. Dist. v. Gage, 39 / 484; Belles v. Burr, 76 / 1. And cannot be garnisheed even by their own consent, unless the debtor also consents.—Id. They preceded the constitution (Stuart v. Sch. Dist., 30 / 69), and were recognized by that instrument.—Belles v. Burr, 76 / 11. It is familiar doctrine that school districts are state agencies with limited powers, confined, generally, to those expressly enumerated and those necessarily implied.—Attorney General v. Detroit Bd. of Education, 175 / 440.

ALTERATION OF DISTRICTS.

Alteration of district boundaries by township board.

Posting notice.

Joint boards.

(34) § 4653. SEC. 8. Whenever the township board shall contemplate an alteration of the boundaries of a district, the township clerk (and for meetings of boards to act in relation to fractional districts, clerks of the several townships interested) shall give at least ten days' notice of the time and place of the meeting of said board and the alteration proposed, by posting such notice in three public places in the township or townships, one of which notices shall be in each of the districts that may be affected by such alteration. Whenever the township boards of more than one township meet, they shall elect one of their number chairman, and another clerk thereof.

Am. Id.

NOTICE: The notice required is jurisdictional and indispensable.—Coulter v. Inspectors, 59 / 391; Sch. Dist. v. Inspectors, 63 / 611; Gentle v. Inspectors, 73 / 40; Graves v. Inspectors, 102 / 635; Passage v. Inspectors, 19 / 330; Andress v. Inspectors, 19 / 332. Proof of the posting of such notice should be filed with the clerk of the board, before any action is taken.—Coulter v. Inspectors, 59 / 391; Sch. Dist. v. Inspectors, 63 / 611; Graves v. Inspectors, 102 / 635. Where notice is not given the filing of the consent of a majority of the resident taxpayers of the districts affected will not validate the action.—Gentle v. Inspectors, 73 / 40. Notices must be posted in each township affected by the alteration.—Sch. Dist. v. Metcalf, 93 / 499. The object of the notice is to enable parties interested to be heard before any action is taken.—Gentle v. Inspectors, 73 / 45; Sch. Dist. v. Metcalf, 93 / 499. As to the provision in the former law, see Sch. Dist. v. Sch. Dist., 63 / 51. Notice of posting notices in three public places is jurisdictional. Affidavit must show that the notices were so posted. Certiorari will lie to test validity of proceedings where petitioner moves promptly.—Huyser v. Board of School Inspectors, 131 / 568.

FRACTIONAL DISTRICTS: The action of the joint boards is required in case of fractional districts.—Sch. Dist. v. Sch. Dist., 81 / 343.

May detach and attach property.

(35) § 4654. SEC. 9. The township board may in its discretion detach the property of any person or persons from one district and attach it to another; except that no land which has been taxed for building a schoolhouse shall be set

off into another school district for the period of three years thereafter, except by the consent of the owner thereof; and no district shall be divided into two or more districts without the consent of a majority of the resident taxpayers of said district, and no two or more districts shall be consolidated without the consent of a majority of the resident taxpayers of each district.

People v. Davidson 2 Doug. 121; **Brewer v. Palmer**, 13 / 104. See **Sch. Dist. v. Dean**, 17 / 223; **Gentle v. Sch. Inspectors**, 73 / 45.

DISSOLVING DISTRICT: The school inspectors (township board) have power to alter boundaries of districts, and attach or detach persons, to or from any district; but no power is anywhere granted to them to disband, dissolve or destroy a district, save as restricted under this section.—**Briggs v. Borden**, 71 / 90. As intimated in **Doxey v. Inspectors**, 67 / 604, the board have no authority to divide up a district and destroy it without the consent of a majority of the resident taxpayers; nor can they destroy it by cutting it up into pieces and attaching all the territory to other districts without such consent.—**Id.** The terms "dissolve" and "disband" are of similar import and a vote taken to "disband" is supported by notice of a meeting to vote upon a proposition to "dissolve."—**Id.**

CONSENT OF OWNER: Lands taxed within three years for building a schoolhouse, not to be set off into another district without the consent of the owner.—**Coulter v. Inspectors**, 59 / 391.

CONSOLIDATION: The right of inspectors to consolidate districts depends upon consent of majority of resident taxpayers. Where a school district de facto formed by consolidation of other districts has been in existence two years or more the court will not set aside action of board.—**Howell v. Shannon**, 130 / 556.

POWER OF LEGISLATURE: The legislature may change the boundaries of district.—**Atty Gen. ex rel. Kies v. Lowery**, 131 / 639.

Am. 1909, Act 31.

DIVISION OF PROPERTY.

(38) § 4657. SEC. 12. When a new district is formed in whole or in part from one or more districts possessed of a schoolhouse or entitled to other property, the township board at the time of forming such new district, or as soon thereafter as may be, shall ascertain and determine the amount justly due to such new district from any district out of which it may have been in whole or in part formed, as the proportion of such new district, of the value of the schoolhouse and other property belonging to the former district, at the time of such division; and whenever by the division of any district, the schoolhouse or site thereof shall no longer be conveniently located for school purposes and shall not be desired for use by the new district in which it may be situ-

Bill to restrain the sale of the schoolhouse.—Briggs v. Borden, 71 / 87. Upon the formation of a new district by the union of two or more, the new district succeeds to the credits and property and is liable for the debts of the old ones.—Brewer v. (39) § 4658. SEC. 13. Such proportion shall be ascertained and determined according to the value of the taxable property of the respective parts of such former district at the time of the division, by the best evidence in the power of the township board; and such amount of any debt due from the former district, which would have been a charge upon the new had it remained in the former district, shall be deducted from such proportion: Provided, That no real estate thus set off, and which shall not have been taxed for the purchase or building of such schoolhouse, shall be entitled to any portion thereof nor be taken into account in such division of district property.

Am. Id.

DEBTS OF OLD DISTRICTS: Where the territory of a school district is absorbed by other districts, the statute contemplates that the township board shall make an equitable adjustment of property and debts, so as to proportion them fairly among the districts which have succeeded to the jurisdiction of that which has been divided.—Halbert v. Sch. Districts, 36 / 421. Where a school district has been subdivided and other districts set off, the debts of the original district cannot be parceled out among all by a proceeding in the courts, so as to give creditors a remedy against any but the original debtors.—Turnbull v. Alpena Sch. Dist., 45 / 496; Maltz v. Board of Education, 41 / 547. A debt once existing must remain a debt against the corporation that created it, and its obligation is not destroyed by a change in corporation limits. If contribution is required, it must be obtained by the corporation and not by its creditors, unless otherwise provided by law.—Turnbull v. Alpena Sch. Dist., 45 / 498.

(40) § 4659. SEC. 14. The annual meeting of all school districts, except where otherwise provided by special enactment, shall be held on the second Monday of July in each year. The school year shall commence on that day, and the trustees and officers of the district shall date their terms of office from said day, and until their successors are elected and qualified: Provided, That any district may vote to hold its annual meeting on the fourth Monday in July.

Am. 1905, Act 36.

Special
meetings.

(41) § 4660. SEC. 15. Special meetings may be called by the district board; and it shall be the duty of said board, or any one of them, to call such meetings on the written re-

quest of not less than five legal voters of the district, by giving the notice required in the next succeeding section; but no special meeting shall be called unless the business to be transacted may lawfully come before such meeting, and no business shall be transacted at a special meeting unless the same in notice. When may not be called. Business of to be stated

be stated in the notice of said meeting.

NOTICE: Liberal rules of interpretation must be applied to these notices, and if they be such as, under a fair construction, to give notice to the electors of the purpose for which the meetings are called, they must be held sufficient.—*Peters v. Warren Twp.*, 98/55.

SPECIAL MEETING: In order to constitute a legal school meeting, the evidence must show that a legal petition was presented and a legal notice of the meeting given.—*Cent. Sch. Supply House v. Sch. Dist.*, 99/402; *Johnston v. Mitchell*, 120/589. Use by a school board, in calling a special meeting, of a blank form of notice prepared by a lawyer at the request of one who was not a member of the board, is insufficient to show a ratification on its part of a promise by such third person that the board would pay a specified sum for the legal services rendered.—*Leonardson v. School District No. 3 of Troy Township*, 125/209.

(42) § 4661. SEC. 16. All notices of annual or special meetings.

district meetings, after the first meeting has been held as aforesaid, shall specify the day and hour and place of meeting, and shall be given at least six days previous to such meeting, by posting up copies thereof in three of the most public places in the district, one copy of which for each meeting shall be posted at the outer door of the district schoolhouse, if there be one; and in case of any special meeting called for the purpose of establishing or changing the site of a schoolhouse, such notice shall be given at least ten days previous thereto: Provided, That when any of the district board shall receive a request to call a special meeting, as provided in the preceding section, he shall forthwith give notice, as above provided, of said meeting, which shall be called in not less than six nor more than twelve days from the time the said officer shall receive the notice aforesaid. No annual meeting shall be deemed illegal for want of due notice, unless it shall appear that the omission to give such notice was wilful and fraudulent.

Schafer v. Sch. Dist. No. 1 of Baraga, 116/206; *Johnston v. Mitchell*, 120/589.

(43) § 4662. SEC. 17. In all school elections including school elections held in districts organized and governed in whole or in part by a local act or acts, any provisions in such local act or acts to the contrary notwithstanding, every citizen of the United States of the age of twenty-one years, male or female, who owns property which is assessed for school taxes in the district, or who is the parent or legal guardian of any child of school age included in the school census of said district, and who has resided in said district three months next preceding such election, shall be a qualified voter.

Challenging voters.

Oath tendered to challenged voter.

(44) § 4663. SEC. 18. If any person offering to vote at a school district meeting shall be challenged as unqualified by any legal voter in such district, the chairman presiding at such meeting shall declare to the person challenged the qualifications of a voter; and if such person shall state that he is qualified, and the challenge shall not be withdrawn, the chairman shall tender to him an oath, in substance as follows: "You do swear (or affirm) that you are a citizen of the United States, that you have been for the last three months an actual resident of this school district, or residing upon territory now attached to this school district, and that you pay a school district tax therein;" and every person taking this oath shall be permitted to vote upon all questions proposed at such meetings. Or he may take the following oath, to wit: "You do swear (or affirm) that you are a citizen of the United States, that you have been for the last three months an actual resident of this school district, or residing upon property now attached to this school district, and that you are the parent or legal guardian of one or more children

now included in the school census of the district;" and he may vote upon all questions which do not directly involve the raising of money by tax. If any person so challenged shall refuse to take such oath, his vote shall be rejected; and any person who shall wilfully take a false oath, or make a false affirmation, under the provisions of this section, shall be deemed guilty of perjury. When any question is taken in any other way than by ballot, a challenge immediately after the vote has been taken shall be deemed to be made when offering the vote, and treated in the same manner.

Belles v. Burr, 76 / 6 ; Menton v. Cook, 147 / 542.

(45) § 4664. SEC. 19. If at any district meeting any person shall conduct himself in a disorderly manner, and, after notice from the moderator or person presiding, shall persist therein, the moderator or person presiding may order him to withdraw from the meeting, and on his refusal, may order any constable, or other person or persons, to take him into custody until the meeting shall be adjourned; and any person who shall refuse to withdraw from such meeting on being so ordered as herein provided, and also any person who shall wilfully disturb such meeting by rude and indecent behavior, or by profane or indecent discourse, or in any other way make such disturbance, shall, on conviction thereof, be punished by a fine not less than two nor more than fifty dollars, or by imprisonment in the county jail not exceeding thirty days; and any justice of the peace, recorder, or police justice of the township, ward, or city where such offense shall be committed, shall have jurisdiction to try and determine the same.

(46) § 4665. SEC. 20. The qualified voters of any school district when lawfully assembled at the first and at each annual meeting or at an adjournment thereof, or at any special meeting lawfully called, except as hereinafter provided, shall have power:

First, At the first meeting and at any meeting after the organization of the district, in the absence of the moderator, to appoint a chairman for the time being and, in the absence of the director, to appoint some person to act in his stead, who shall keep a minute of the proceedings of such meeting and certify same to the director, to be by him entered in the records of the district;

Second, To adjourn from time to time as occasion may require;

Third, To elect district officers as herein provided, and to determine at what hour the annual meeting shall be held;

Fourth, To designate as hereinafter provided a site or such number of sites as may be desired for school houses, and to change same when necessary;

School terms. Eleventh, At the first and annual meeting only to determine the length of time a school shall be taught in their district during the ensuing year, which shall not be less than nine months in all districts having four hundred or more children of school age, and in all districts having over thirty children and less than four hundred children, not less than eight months, and not less than five months in all other districts on the pain of forfeiture of their share of the primary school interest fund; but in case the people do not deter-

mine the length of the school year, then the district board shall determine same, and in case the board or the district fix the length of the school year, and later in the year it is found desirable to increase the length of said school year, such action may be taken at a properly called special school meeting, or the board may take such action on petition of a majority of the resident qualified voters: Provided, That Proviso. each school district may at an annual or special meeting vote to discontinue school in the district for the ensuing year and determine that the children resident therein shall be sent to another school or schools, and when such action has been taken the school board shall have authority to use any funds, except library funds, in the hands of the treasurer to pay the tuition and transportation of all such children, and if necessary vote a tax for such purpose.

FOURTH: See section 102 as to designation of school sites.

FIFTH: A school district, contracting for the building of a schoolhouse within a stated time, is bound to furnish a suitable site therefor, within such reasonable time that the contractors shall not be delayed on their part.—*Todd v. Sch. Dist.*, 40 / 294. Sureties upon a bond for the performance of a contract are released by an assignment of the contract and the grant of an extension of time to the contractors.—*Id.* See Act 17 of 1915, sections 443-445.

SIXTH: A school district in its annual meeting may lawfully recognize and pay equitable claims even though they are not strictly legal demands against it.—*Stockdale v. School Dist.*, 47 / 226. The provision that no land shall be taxed for the building of schoolhouses, unless some portion thereof shall be within 2½ miles of the schoolhouse site, does not apply to a graded school district.—*Keweenaw Ass'n v. Sch. Dist.*, 98 / 437.

SEVENTH: Publishing House v. Sch. Dist., 94 / 265. The word "appendage" does not mean simply the apparatus to be used inside of the building, nor is it limited to brooms, pails, cups, etc., but must be construed to include fuel, fences and necessary out-houses.—*Creager v. Sch. Dist.*, 62 / 108. A director has authority, in the exercise of a sound discretion, to buy new seats for a schoolhouse under a resolution "to fit up the schoolhouse for the winter term."—*McLaren v. Akron Town Board*, 48 / 190. Equitable claims.—See notes to subdivision sixth. Certain charts, etc., held not to be necessary appendages, such as the director is required to furnish.—*Gibson v. Sch. Dist.*, 36 / 404; Publishing House v. School Dist., 94 / 265. A school district has no power to levy a tax except for the purposes specified by statute.—*Hinman v. Sch. Dist.*, 4 / 168. See section 67, subdivision 6.

ELEVENTH: *Tappan v. Sch. Dist.*, 44 / 500. The district board has power to contract with a qualified teacher for such term during the ensuing year as shall be determined by the qualified voters of the district at the annual school meeting.—*Cleveland v. Amy*, 88 / 374; *Moiles v. Watson*, 60 / 417. In exercising the discretion vested in the voters of a school district to discontinue school for a year, the school board are bound to furnish transportation and may determine the amount to be paid. The performance of such duty may be enforced by mandamus.—*Dennis v. Wrigley*, 175 / 621. Where voters of a district have voted to discontinue school and send the children to an adjoining district, at an annual or special meeting cannot rescind the action at a subsequent meeting and reopen the school for the ensuing period.—*Meek v. Carpenter*, 178 / 647.

MISCELLANEOUS: *Gibson v. Sch. Dist.*, 36 / 404. Where a board of education erects a school building in such manner that ice and snow must inevitably slide from the roof into plaintiff's premises, there being no sufficient barrier to prevent, and fails, after notice, to remedy the defect, it may be held liable to him for injuries sustained in falling upon ice so precipitated, the trespass being the proximate cause of the injury.—*Ferris v. Board of Education of Detroit*, 122 / 315. The neglect or refusal of the electors of a township to vote the amounts necessary to be raised for township and school purposes is sufficiently shown, within the statutes authorizing the township board and the board of education, respectively, to vote the same in such case, by a recital in the resolutions of the several boards voting such taxes, that the attention of the electors present at the annual meeting was called to the matter of voting upon such questions, and that they failed, neglected, and refused to vote such sums as were necessary.—*Weston Lumber Co. v. Township of Munising*, 123 / 188. Where the legislature divides a district and provides for a distribution of property, the new district is not entitled to share in primary school interest fund at the following apportionment, though based upon reports of previous year. A district which does not maintain school for at least three months (now five months) is not entitled to share in apportionment of primary school interest fund.—*Decker-*

ville School District v. District No. 3 of Marion, 131/272. A school district which had provided by resolution for the seating of a schoolhouse is estopped to question the validity of a contract signed by the director only, where other officers paid the freight bills and the seats had been in use fifteen months.—Jones v. Sch. Dist. No. 3 of Iosco, 110/363. District board bought furniture. At following annual meeting voters made no objection. Held a ratification of the contract though act of board was not authorized.—Haney Sch. Fur. Co. v. Sch. District No. 1 Crystal Lake Twp., 133/241. School district cannot appropriate surplus one mill tax to general purpose before end of year.—Bonhagel v. Sch. Bd. of Dist. No. 1, Bronson & Bethel Twps., 134/455.

CHAPTER III.

DISTRICT BOARD AND OFFICERS.

Election of
district
officers.

Term of
office.

(47) § 4666. SECTION 1. At the first meeting in each school district there shall be elected by ballot a moderator for the term of three years, a director for two years, and a treasurer for one year; and on the expiration of their respective terms of office, and regularly thereafter at the annual meetings, their several successors shall be elected in like manner for a term of three years each. The time intervening between the first meeting in any school district and the first annual meeting thereafter shall be reckoned as one year.

NOTE.—Act 165, P. A. 1901, changes the word assessor to treasurer. See section 52.

OFFICERS: The officers of a primary school district consist of a moderator, director and assessor. These officers are created by statute and have attached to them certain limited powers and particular duties. They have, therefore, neither common law power, nor rights, but are strictly confined to such as are conferred upon them by statute; and as no compensation for their official services has been provided [as the law stood prior to 1859] or in any manner authorized by statute, none can be legally claimed or recovered.—Hirman v. Sch. Dist., 4/168. The provisions relative to the election of school district officers by ballot are mandatory; but where they were unanimously chosen by *viva voce* vote at a regular meeting, and qualified and acted and no one else claimed the offices, a writ of quo warranto was dismissed.—People v. Gartland, 75/143. Parol evidence is admissible to show who are the district officers.—Crane v. Sch. Dist., 61/290.

BALLOT: All ballots cast under statutory requirements are formal and final, if there is an election, and cannot be repeated. There can be no "informal" ballot.—People v. Stone, 78/635; Sch. Dist. v. Root, 61/373.

When school
district office
deemed
vacant.

(48) § 4667. SEC. 2. A school district office shall become vacant immediately upon any of the following events:

First, The death of the incumbent;

Second, His resignation;

Third, His removal from office;

Fourth, His removal from the district;

Fifth, His conviction of any infamous crime;

Sixth, His election or appointment being declared void by a competent tribunal;

Seventh, His neglect to file his acceptance of office, or to give or renew any official bond according to law;

Eighth, His ceasing to be a taxpayer in the school district;

Ninth, Upon the expiration of twenty days after failure of the district to elect a successor at the annual meeting, at the expiration of which period the board of school inspectors shall appoint such successor.

(49) § 4668. SEC. 3. In case any one of the district offices becomes vacant, the two remaining officers shall immediately fill such vacancy; or in case two of the offices become vacant, the remaining officer shall immediately call a special meeting of the district to fill such vacancies; in case any vacancy is not filled as herein provided within twenty days after it shall have occurred, or in case all the offices in a district shall become vacant, the township board of the township to which the annual reports of such district are made shall fill such vacancies. Any person elected or appointed to fill a vacancy in a district office shall hold such office until the next succeeding annual meeting, at which time the voters of the district shall fill such office for the unexpired portion of the term.

Am. 1909, Act 83.
Johnston v. Mitchell, 120 / 589.

(50) § 4669. SEC. 4. Any qualified voter in a school district whose name appears on the assessment roll and who is the owner in his own right of the property so assessed, shall be eligible to election or appointment to office in such school district: Provided, That where a husband and wife own property jointly, regardless of the name which appears on the assessment roll, if otherwise qualified, each shall be eligible to election or appointment to school office. It shall be illegal for any member of the district board to act as agent for any author, publisher or seller of school books or school apparatus, or to receive any gift or reward for his influence in recommending the purchase or use of any school book or apparatus in the state of Michigan. It shall be illegal for any member of the district board to perform any labor, except as provided in this act, or furnish any material or supplies for the school district in which he is an officer, and he shall not be personally interested in any way whatever directly or indirectly in any contract with the district in which he holds office. Any act herein prohibited, if performed by any such school officer, shall be deemed a misdemeanor, and he shall be liable to the punishment provided for such offense in accordance with the statute in such case made and provided.

Am. 1899, Act 184; 1909, Act 83; 1911, Act 57.

(51) § 4670. SEC. 5. Within ten days after their election or appointment, the several officers of each school district shall file with the director written acceptances of the office to which they have been respectively elected or appointed, accompanied by an affidavit, properly acknowledged, that they are qualified voters, that their name appears on the assessment roll, and that they are the owners in their own right of the property so assessed, and such acceptances and affidavits shall be entered in the records of the district by

District board,
when meetings
of, may be
called.

(52) § 4671. SEC. 6. The moderator, director, and treasurer shall constitute the district board. Meetings of the board may be called by any member thereof by serving on the other members a written notice of the time and place of such meeting at least twenty-four hours before such meeting is to take place; and no act authorized to be done by the district board shall be valid unless voted at a meeting of the board. A majority of the members of the board at a meeting thereof shall be necessary for the transaction of business.

Quorum
of board.

Am. 1901, Act 165.

A teacher cannot be hired by two members of the board without the concurrence of the third and without convening any meeting of the board.—Hazen v. Lerche, 47 / 626. A school teacher can be employed only by the action of a district board at a meeting of the board. Parol evidence is not admissible to show that the record of the meeting made by the director is not true.—Cowley v. Sch. Dist. No. 3, Harrisville, 130 / 634.

Board to
purchase
record
books, etc.

(53) § 4672. SEC. 7. The said district board shall purchase a record book and such other books, blanks and stationery as may be necessary to keep a record of the proceedings of the district meetings and of the meetings of the board, the accounts of the treasurer, and for doing the business of the district in an orderly manner.

Am. 1903, Act 49.

Officers having charge of school records are required to furnish proper facilities for the examination or copying of the same. See Act No. 76, P. A. 1903.

See School Dist. v. Snell, 24 / 353.

Board to
purchase, etc.,
site, and
build, etc.,
schoolhouse.

(54) § 4673. SEC. 8. The district board shall purchase or lease, in the corporate name of the district, such sites for schoolhouses as shall have been lawfully designated, and shall build, hire, or purchase such schoolhouses as may be necessary out of the fund provided for that purpose, and make sale of any site or other property of the district when lawfully directed by the qualified voters; but no district in any case shall build a stone or brick schoolhouse upon any site without having first obtained a title in fee to the same, or a lease for ninety-nine years; nor shall any district build a frame schoolhouse on any site for which they have not a title in fee or a lease for fifty years, without securing the privilege of removing the said schoolhouse when lawfully directed so to do by the qualified voters of the district at any annual or special meeting, when lawfully convened.

Necessity of
title or lease
to site before
building
schoolhouse.

TITLE IN FEE: A lease to a school district "during the time it is used for school purposes" is a lease in perpetuity at the will of the lessee. Since the lessee is a corporation and words of inheritance are not required, the lease, if a present consideration is paid, operates as a bargain and sale and conveys a base or determinable fee. This is sufficient to satisfy the provisions of the school law.—Sch. Dist. v. Everett, 52 / 314.

LEASES: Schoolhouse on leased land belongs to district and may be removed within reasonable period.—*Hayward v. Sch. Dist.*, 139 / 539. Without due notice of proposed action at an annual meeting, the school board could not change a site and place a schoolhouse on property which had not been leased or conveyed to the board.—*Calkins v. Rice*, 170 / 234.

(55) § 4674. SEC. 9. The district board shall have authority to vote such taxes as may be necessary for the regular running expenses of the school, which shall include school furnishings and all appurtenances, the care of school property, teachers' wages, water supply, premium upon indemnity bond for the treasurer of the district, transportation of the pupils, record books and blanks, and all apparatus and material which may be necessary in order that the schools may be properly managed and maintained, and for deficiencies in such funds for the preceding year, if any, and for the services of district officers. All such taxes when collected and received shall be accounted for under the title of "general fund;" all primary money shall be accounted for under the title of "primary fund." Provided, That the tax for the services of district officers herein provided for in districts having less than fifty children shall not exceed twenty-five dollars, and in districts having between fifty and one hundred children the tax shall not exceed fifty dollars, the amounts to be allowed for such services to be determined by the electors at the annual meeting. When the taxes herein provided for have been estimated and voted by the district board, they shall be reported for assessment and collection the same as other district taxes. When any tax has been estimated and voted by the district board or by the district under the provisions of law, and the money is needed before it can be collected, the district board may borrow on the strength of such tax a sum not exceeding the total of such tax.

Am. 1907, Act 91; 1909, Act 88; 1911, Act 57; 1913, Act 402.

(56) § 4675. SEC. 10. The district board, or board of education, shall, between the second Monday in July and the first Monday in August in each year, make out and deliver to the township clerk of each township in which any part of the district is situated, a report in writing under their hands of all taxes voted by the district during the preceding year, and of all taxes which said board is authorized to impose, to be levied on the taxable property of the district.

Am. 1905, Act 36.

(57) § 4676. SEC. 11. The district board shall apply and pay over all school moneys belonging to the district in accordance with the provisions of the law regulating same, and no moneys received from the primary school fund shall be appropriated to any other use than the payment of teachers' wages, tuition and transportation of children as pro-

Sectarian schools. vided by law, and no part thereof shall be paid to any teacher who shall not have received a certificate of qualification from proper legal authority before the commencement of his school. No school district shall apply any of the moneys received by it from the primary school interest fund or from any and all other sources for the support and maintenance of any school of a sectarian character, whether the same be under the control of any religious society or made sectarian by the school district board.

Am. 1911, Act 57.
Proof of qualification.—Sch. Dist. v. Cook, 47 / 112.

Board to make annual reports.

(58) § 4677. SEC. 12. Said board shall present to the district, at each annual meeting, a report in writing, containing an accurate statement of all moneys of the district received by them, or any of them, during the preceding year, and of the disbursements made by them, with the items of such receipts and disbursements. Such report shall also contain a statement of all taxes assessed upon the taxable property of the district during the preceding year, the purposes for which such taxes were assessed, and the amount assessed for each particular purpose, and said report shall be entered by the director in the records of the district.

Board to hire teachers.

(59) § 4678. SEC. 13. The district board shall hire and contract with such duly qualified teachers as may be required; and all contracts shall be in writing and signed by a majority of the board in behalf of the district. Said contracts shall specify the wages agreed upon and shall require the teacher to keep a correct list of the pupils, grading and the age of each, attending the school, and the number of days each pupil is present, the aggregate attendance, average daily attendance and percentage of attendance, and to furnish the director with a correct copy of the same at the close of school. Said contract shall be filed with the director and a duplicate copy of the contract shall be furnished to the teacher.

Contracts.

No contract with any person not holding a legal certificate of qualification then authorizing such person to teach shall be valid, and all such contracts shall terminate if the certificate shall expire by limitation and shall not immediately be renewed, or if it shall be suspended or revoked by proper legal authority. A school month within the meaning of the school laws shall consist of four weeks of five days in each week, unless otherwise specified in the teacher's contract.

Am. 1901, Acts 62 and 146.

HIRE AND CONTRACT: The district in its corporate capacity is a necessary party to the contract.—Wall v. Eastman, 1 / 270. A teacher can be lawfully employed only by convening the board.—Hazen v. Lerche, 47 / 626. Contracts may be made before beginning of the school year.—Sch. Dist. v. Cook, 47 / 112; Tappan v. Sch. Dist., 44 / 500; Cleveland v. Amy, 88 / 376; Farrell v. Sch. Dist., 98 / 45. The power to employ teachers conferred upon district boards of primary schools by this section is co-extensive with that conferred upon the boards of trustees of graded schools by section 122.—Id. 376. Where a contract was signed by the director and the teacher, the moderator wrote "approved" upon it and subscribed it as moderator, such

approval and signature was treated as, in legal effect, a signing of the contract.—Everett v. Sch. Dist., 30 / 249. When the contract is signed by a majority of the board only.—Crane v. Sch. District, 61 / 299. Simultaneous signing is not necessary.—Holloway v. Sch. Dist., 62 / 155; Everett v. Sch. Dist., 30 / 249. It is the business of school districts to keep up public schools, and it is the duty of the officers to provide teachers and to make contracts with them. It is their duty to know under what conditions a teacher, whom they know to be teaching, claims to act.—Holloway v. Sch. Dist., 62 / 155. A teacher has a right to suppose his contract to be a valid one when it is signed by a sufficient number of officers and he is, with the personal knowledge of the whole board, permitted and encouraged to go on.—Id. 156. A contract valid on its face, actually carried out in full with the acquiescence of all concerned, cannot be subsequently repudiated.—Id. The provision that the contract shall require the teacher to keep a list of the pupils, etc., is merely directory. Its omission will not invalidate the contract.—Everett v. Sch. Dist., 30 / 249. A district school board cannot discharge a teacher for incompetency, in the absence of a provision to that effect in the contract.—Carver v. Sch. Dist., 113 / 524. Where a contract has been terminated by the board, mandamus will not lie to review the board's action and compel payment of salary claimed under the contract.—Coffin v. Detroit Bd. of Ed., 114 / 342; Langston v. Sch. Dist. No. 3 of Springwells, 121 / 654. A resolution to hire does not constitute a contract. All contracts must be in writing.—Langston v. Sch. Dist. No. 3 of Springwells, 121 / 654.

QUALIFIED TEACHER: A teacher suing for his wages need not make proof of his certificate, but the granting of it may be proved by parol.—Sch. Dist. v. Cook, 47 / 112. Normal school certificate not filed or recorded in the proper office (see How. 4969) until after contract made.—Smith v. Sch. Dist., 69 / 591. Since the statute makes invalid a contract, where the teacher holds no legal certificate, such contract cannot be made the basis of a recovery of salary.—Bryan v. Sch. Dist., 111 / 67.

HOLIDAYS AND INTERRUPTIONS: Teaching contracts for stated periods, are subject to the observance of recognized holidays and there can be no deductions for such occasions from a teacher's wages.—Sch. Dist. v. Gage, 39 / 484; Holloway v. Sch. Dist., 62 / 156. Suspension of school during the prevalence of smallpox is no defense to the payment of the teacher's wages for the time the school is closed.—Dewey v. Sch. Dist., 43 / 480. Payment of wages after the burning of the schoolhouse.—Smith v. Sch. Dist., 69 / 589.

WAGES NOT GARNISHABLE: A teacher's wages cannot be reached by garnishment.—Sch. Dist. v. Gage, 43 / 484.

CONTRACTS: Under this section, providing that school teachers' contracts shall be in writing, and signed by a majority of the district board, and shall specify the wages, etc., a resolution of a school board authorizing the employment of a specified person, though supplemented by conversations between such person and individual members of the board in respect to the terms of employment, and by the action of the person designated in appearing at the school at the opening of the term, and teaching for two days without objection, does not constitute a contract of hiring binding upon the district.—Langston v. Sch. Dist. No. 3 of Springwells Twp., 121 / 654. Under a teacher's contract providing that she should teach certain terms at a stipulated salary "providing satisfaction is given to the school board" the board had a right to say whether she should teach the spring term, and she having been notified of their determination not to employ her before the time for the term to commence she could not recover her salary though before notice she had taught one day under a claim that the spring term had begun.—Kingston v. Sch. Dist. No. 5, Decatur Twp., 140 / 603. When a teacher's contract provides that it may be terminated on thirty days' notice, a notice to terminate is effectual though given before the commencement of service and it is within the powers of the board of education to make such contract.—Dees v. Board of Education of Detroit, 146 / 64. Under the above section, requiring all contracts by school district boards with teachers to be in writing, an oral contract with a teacher to continue the school for a month after the expiration of his written contract is not enforceable, though such teacher has performed the services.—Hutchins v. School District No. 1 of Colfax Township, 128 / 177.

CONTRACTS AND QUALIFIED TEACHERS: A contract between a teacher and a graded school district is invalid, unless the teacher, at the time of making the contract has the certificate required by section 217, authorizing her to teach during the term covered by the contract; obtaining a certificate after the making of the contract, and before the commencement of school, is not a compliance with the statute.—McCloskey v. Sch. Dist. No. 5, Wheatland, 134 / 235.

schoolhouse and other property of the district, except so far
as the same shall by vote of the district be especially con-
fided to the custody of the director, including all books pur-
chased for the use of indigent pupils, and shall open the
schoolhouse for public meetings unless by a vote at a district

meeting it shall be determined otherwise: Provided, That said board may exclude such public meetings during the five school days of each week of any and all school terms, or such parts thereof as in their discretion they may deem for the best interest of the schools.

Am. 1901, Act 146.

The board has the care and custody of all the property and moneys of the district, except what may be especially confided to the director.—*Maynard v. Woodward*, 36 / 424; *Eckhardt v. Darby*, 118 / 199.

~~Branches of instruction.~~

(61) § 4680. SEC. 15. In addition to the branches in which instruction is now required by law to be given in the public schools of the state, instruction shall be given in physiology and hygiene, with a special reference to the nature of alcohol and narcotics, and their effects upon the human system. Such instruction shall be given by the aid of textbooks in the case of pupils who are able to read, and as thoroughly as in other studies pursued in the same school.

~~Text-books.~~

The text-books to be used for such instruction shall give at least one-fourth of their space to the consideration of the nature and effects of alcoholic drinks and narcotics, and the books used in the highest grade of graded schools shall contain at least twenty pages of matter relating to this subject. Text-books used in giving the foregoing instruction shall first be approved by the state board of education. Each school board making a selection of text-books under the provisions of this act shall make a record thereof in its proceedings, and text-books once adopted under the provisions of this act shall not be changed within five years, except by the consent of a majority of the qualified voters of the district present at an annual meeting or at a special meeting called for that purpose.

~~Teacher to certify.~~

The district board shall require each teacher in the public schools of such district, before placing the school register in the hands of the directors, as provided in section thirteen of this act, to certify therein whether or not instruction has been given in the school or grade presided over by such teacher as required by this act, and it shall be the duty of the director of the district to file with the township clerk a certified copy of such certificate. Any school board neglecting or refusing to comply with any of the provisions of this act shall be subject to fine or forfeiture the same as for neglect of any other duty pertaining to its office. This section shall apply to all schools in the state, including schools in cities or villages whether incorporated under special charter or under the general laws.

~~Penalty.~~

~~Application of act.~~

Am. 1911, Act 217.

Western Pub. House v. Sch. Dist., 94 / 285. This section applies to city schools organized under a special charter which does not provide for an annual school meeting.—*Jones v. Board of Ed. of Detroit*, 88 / 373. The power to adopt text-books is conferred by law and cannot be affected by any rule of the board of education fixing a time for the reconsideration of motions and resolutions.—*Id.* 347. As to suspension of by-law regulating adoption of text-books, see *Kendall v. Board of Education*, 108 / 681.

TEXT-BOOKS: The provision of the law that text-books once adopted shall not be changed within five years, was designed to protect the public

and not for the benefit of book publishers. A resolution of the board directing the purchase of a specified number of text-books for use in the school constituted an adoption of that book. The five years began to run from the date of such resolution, not from the time the books were completely installed in the school. The provisions of the statute that all text-books shall be uniform on any one subject, requires uniformity in the books used in the same grade only, and does not require that all text-books used in the different grades on the same subject shall be of the same series. A resolution of the board to purchase certain text-books for "supplementary use" shows no intention to adopt, and is illegal and void.—Atty Gen. ex rel. Marr v. Bd. Edu. Detroit, 133 / 681. Under the local act creating it (Act 233 of 1869) the Detroit board of education cannot buy school books for high school students and sell them at cost.—Attorney General v. Board of Education, 175 / 438.

(62) § 4681. SEC. 16. The district board may purchase at the expense of the district, such text-books as may be necessary for the use of children when parents are not able to furnish the same, and they shall include the amount of such purchase in the report to the township clerk or clerks, to be levied in like manner as other district taxes.

Purchase of

poor children.

(63) § 4682. SEC. 17. The district board shall have the general care of the school, and shall make and enforce suitable rules and regulations for its government and management, and for the preservation of the property of the district. Said board may authorize or order the suspension or expulsion from the school, whenever in its judgment the interests of the school demand it, of any pupil guilty of gross misconduct or persistent disobedience. Any person who shall disturb any school by rude and indecent behavior, or by profane or indecent discourse, or in any other way make such disturbance, shall, on conviction thereof, be punished by a fine not less than two nor more than fifty dollars, or by imprisonment in the county jail not exceeding thirty days.

Penalty for
disturbing
school.

EXPULSION: It is not necessary that a pupil be guilty of a criminal act before he can be suspended or expelled from school. He must be guilty of some wilful or malicious act of detriment to the school and the misconduct must be gross—something more than a petty or trivial offense against the rules—or he must be persistent in his disobedience of the proper and reasonable rules and regulations of the school. A boy cannot be expelled or suspended for a careless act, no matter how negligent, if it is not wilful or malicious.—Holman v. Sch. Dist., 77 / 609.

MISDEMEANOR: The meaning of the word "misdeemeanor" in this section is gross misconduct or gross misbehavior, not necessarily a criminal act.—Holman v. Sch. Dist., 77 / 606-7.

The ruling of the school board of 1894 required all children to be vaccinated before attending the public school. George Mathews, having three children of school age who had not been vaccinated, brought mandamus proceedings in the circuit court to compel the school board to admit the children to the public school. Held, that school board under this section had no authority to compel children to be vaccinated before entering public school. It is the opinion of the court, however, that in case there had been an epidemic of smallpox in the city at that time the board would have the authority to temporarily close the school, or say who shall be excluded from the school until the epidemic is passed. A school district board, by virtue of the authority conferred on it by statute to enact rules for the management of the schools, has no power to adopt a general, continuing rule, operative without regard to varying conditions, excluding from the schools all pupils who have not been vaccinated.—Mathews v. Kalamazoo Board of Education, 127 / 530.

RULES: A board of education under authority of the statute has power to make rules requiring children to go directly home after school. A principal is not liable for damages who enforces such a rule.—Jones v. Cody, 132 / 13.

(64) § 4683. SEC. 18. All persons residents of any school district, and five years of age, shall have an equal right to attend any school therein; and no separate school or department shall be kept for any persons on account of race or color: Provided, That this shall not be construed to prevent Who can at-
tend school.
No separate

Grading not prevented.

the grading of schools according to the intellectual progress of the pupil, to be taught in separate places as may be deemed expedient.

It is the requirement of the general law that the right to attend the schools shall be possessed equally and impartially by all classes of residents.—People v. Detroit Bd. of Ed., 18 / 418. And mandamus will lie at the instance of a father to compel the admission of his child to school.—Id. But children, not bona fide residents of a family in a school district but inmates in an institution of a charitable nature in such district, engaged in supporting and educating homeless and needy minors, and which does not contribute by paying taxes to the maintenance of district schools, are not entitled to attend school in a district which has determined not to admit nonresident pupils.—Lake Farm v. Dist. Bd. of Dist. No. 2, Kalamazoo Township, 179 / 171.

District boards may admit non-resident pupils.

Children who are a county charge to be admitted.

(65) § 4684. SEC. 19. The district board may admit to the district school non-resident pupils, and may determine the rates of tuition of such pupils and collect the same, which tuition shall not be greater than fifteen per cent more than the average cost per capita for the number of pupils of school age in the district. Children who are being cared for at county expense shall be admitted to the school in the district whose schoolhouse is nearest the county house, on the same terms that other non-resident pupils are admitted. When non-resident pupils, their parents or guardians, pay a school tax in said district, such pupils shall be admitted to the schools of the district, and the amount of such school tax shall be credited on their tuition a sum not to exceed the amount of such tuition, and they shall only be required to pay tuition for the difference therein.

TUITION: Before any action can be maintained for the tuition of non-resident pupils, the district board must first fix and determine the rate of tuition of such pupils, by resolution of the board properly recorded by the director in the records of the district.—Thompson v. Sch. Dist., 25 / 483.

MODERATOR.

Duties. (66) § 4685. SEC. 20. It shall be the duty of the moderator of each school district:

To preside. First, To preside, when present, at all meetings of the district and of the board;

Countersign orders, etc. Second, To countersign all orders legally drawn by the director upon the treasurer for moneys to be disbursed by the district, and all warrants of the director upon the township treasurer for moneys raised for district purposes, or apportioned to the district by the township clerk;

When to bring suit on treasurer's bond. Third, To cause an action to be prosecuted in the name of the district on the treasurer's bond, in case of any breach of any condition thereof;

Fourth, To perform such other duties as are or shall be by law required of the moderator.

Am. 1903, Act 49.

SECOND: Countersigning orders.—Wall v. Eastman, 1 / 268; Sch. Dist. v. Mallary, 22 / 111. The moderator has the right to satisfy himself that the claim for which the order was drawn is a valid one.—Stockwell v. White Lake Twp. Bd., 22 / 341; People v. Bender, 36 / 195. But it must be a very plain case of wrong where the moderator can refuse to enable the district to obtain its own funds.—People v. Bender, 36 / 197. The director is a proper relator for mandamus to compel the moderator to countersign.—Id. Where an order purports upon its face to be issued by a school district, and

is signed by the school officers in the ordinary place for signatures, and at the left, in fine print, are the words, "Issued by authority of the officers of said district, and payment guaranteed" and a space left underneath for the signatures of the guarantors. Held, That the purchaser took the order subject to the authority of the school district to issue. That such school officers are not liable as guarantors.—Bailey v. Tompkins, 127 / 74.

DIRECTOR.

(67) § 4686. SEC. 21. It shall be the duty of the director of each school district:

First, To act as clerk, when present, at all meetings of the district and of the board;

Second, To record the proceedings of all district meetings, and the minutes of all meetings, orders, resolutions and other proceedings of the board in proper record books;

Third, To give the prescribed notice of the annual district meeting, and of all such special meetings as he shall be required to give notice of in accordance with the provisions of law;

Fourth, To draw and sign warrants upon the township treasurer for all moneys raised for district purposes, or apportioned to the district by the township clerk, payable to the treasurer of the district, and orders upon the treasurer for all moneys to be disbursed by the district, and present them to the moderator, to be countersigned by that officer. Each order shall specify the object for which and the fund upon which it is drawn;

Fifth, To draw and sign all contracts with teachers, when directed by the district board, and present them to the other members of the board for further signature;

Sixth, To provide the necessary appendages for the schoolhouse and keep the same in good condition and repair during the time school shall be taught therein. Necessary appendages within the meaning of the law shall consist of the following articles, to-wit: A set of wall maps, the grand divisions, the United States and Michigan, not exceeding twelve dollars in price, a globe not exceeding eight dollars, a dictionary not exceeding ten dollars, a reading chart not exceeding five dollars, and a case for library books not exceeding ten dollars; also a looking-glass, comb, towel, water pail, cup, ash pail, poker, stove shovel, broom, dust pan, duster, wash basin and soap, and upon the order of the district board shall furnish the schoolhouse with such other apparatus as may be necessary for doing efficient work;

Seventh, To keep an accurate account of all expenses incurred by him as director, and such accounts shall be audited by the moderator and treasurer, and on their written order shall be paid out of any money provided for the purpose;

Eighth, To present at each annual meeting an estimate of the expenses necessary to be incurred during the ensuing year by the director as provided by law, and for the payment of the services of any district officer;

Ninth, To preserve and file copies of all reports made to the school inspectors and safely preserve and keep all books, papers and other documents belonging to the office of director or to the district, when not otherwise provided for, and to deliver the same to his successor in office;

Other duties. Tenth, To perform such other duties as are or shall be required of the director by law or the district board.

Am. 1901, Act 165; 1909, Act 173.

SECOND: Proceedings which are required to be recorded cannot be proved by parol.—Thompson v. Sch. Dist., 25/488.

FOURTH: The warrant for payment by the treasurer to the assessor of moneys belonging to the district is an official order for the transfer of funds, not negotiable and not legally payable to any person but the officer named.—Fox v. Shipman, 19/218; Burns v. Bender, 36/195. See Sch. Dist. v. Mallary, 23/111; Sch. Dist. v. Sch. Dist., 40/551. The duty of procuring this transfer of district moneys, within some reasonable time is not discretionary, but absolute, upon the director, and the moderator is bound to countersign all orders of the director for that purpose.—Burns v. Bender, 36/197. The township treasurer must pay so much of the money in his hands as is covered by the director's warrant in proper form, even though it does not specify a precise sum, but is for all such money in his hands as was raised for the purposes of the district.—Bryant v. Moore, 50/225. The disbursement of all school moneys must be made upon orders drawn on the assessor by the director, countersigned by the moderator.—Burns v. Bender, 36/195; Midland Sch. Dist. v. Sch. Dist., 40/551; Sch. Dist. v. Mallary, 23/111.

SIXTH: See section 46 subd. 7. See, also, Sch. Dist. v. Snell, 24/350; Cent. Sch. Supply House v. Sch. Dist., 99/402. Removal of director from office for persistent refusal and neglect to put the furniture, etc., of the school house in order and repair.—Twp. Board of Hamtramck v. Holihan, 46/127.

SEVENTH: Assumpsit will lie in favor of the director of a school district on a disputed claim, the moderator and assessor having declined to pass upon the same as an entirety under this subdivision.—Van Wert v. Sch. Dist., 100/332.

EIGHTH: Prior to 1859, no provisions of law existed for paying any of the officers for services rendered.—Hinman v. Sch. Dist., 4/168.

School census, annual. (68) § 4687. SEC. 22. It shall be the duty of all school boards and boards of education in this state to make an annual school census in their respective districts or cities as is provided in this section:

How and when taken. First, In all school districts, except in incorporated cities having a population of three thousand or over, within fifteen days next previous to the first day in June of each year, the director, or such other reputable and capable person or persons as the district board may appoint, shall take the school census of the district and make a list in writing of the names and ages of all the children who are five years of age, and under twenty years of age, whose parents or legal guardians reside therein, the names of said parents or guardians, giving street and residence number in villages and cities, in such form as the superintendent of public instruction may prescribe, and said list shall be verified by the oath or affirmation of the person taking such census, by affidavit appended thereto or endorsed thereon, setting forth that the person or persons taking such census made a house to house canvass of the entire district or portion thereof canvassed by said enumerator and that it is a correct list of the names of all the children between the ages aforesaid residing in the district.

Affidavit. Said affidavit may be made before the township clerk or other officer authorized by law to take acknowledgments; and said verified census list shall be returned with the annual report

Where made.

of the director to the township clerk before the first Monday in August thereafter. The director, or other person employed by the board of education, may receive as compensation for taking said census, such sum as the school board may direct, not exceeding one hundred dollars;

Second, In all incorporated cities or special legislative districts having a population of three thousand or over, within twenty days next previous to the first day in June of each year, the secretary of the board of education, or other reputable and capable person or persons employed by the board of education, shall take the school census of said city as follows:

- (a) The census shall be taken and reported by wards;
- (b) Each enumerator shall make a list in writing of the names and ages of all children who are five years of age and under twenty years of age, whose parents or legal guardians reside in the ward or portion of the ward allotted to said enumerator, together with the names of said parents or legal guardians, giving the street and residence number in each case, said list to be in such form as the superintendent of public instruction may prescribe, and it shall be verified by the oath or affirmation of the person making the same, by affidavit appended thereto or indorsed thereon, setting forth that the person or persons taking such census made a house to house canvass of the entire ward or portion thereof canvassed by said enumerator and that it is a correct list of the parents or legal guardians, their street and residence number, the names and ages of all the children of the ages aforesaid residing in the ward or part thereof as allotted to him;

Third, In taking the census in any school district or city the director or enumerators shall not include in the census the names of any child or children in reformatories or prisons; nor the names of any child or children in asylums, almshouses, or other charitable institutions except as follows:

- (a) Children in such institutions who regularly attend the public schools;
- (b) Orphans whose parents at the time of death resided in such school district or city. Children of either class shall be included in the district or ward where such institution is located, except children in class (a) where the parents or either of them, reside in the city or district, and in such cases the legal residence of the child is that of the parent. Indian children shall not be included in any census, unless they attend the public schools, or their parents are liable to pay taxes in the district or city. Domestics, bell boys, and other servants, if entitled to be included in the census, must be recorded at the residence of their parents or legal guardians.

Fourth, In cities having a population of three thousand or over, the secretary of the board of education and the several enumerators shall, immediately after the first day in June of each year, compare, correct and compile the entire census.

Affidavit. The said secretary of the board of education shall then attach thereto his affidavit that the several enumerators were duly employed by the board of education and that said census has been properly compared, corrected and compiled; and forthwith, and before the second Monday in July thereafter, transmit to the superintendent of public instruction the entire census, together with his affidavit and the affidavits of the several enumerators, and at the same time he shall transmit to said superintendent of public instruction the annual statistical and financial report of said city or district.

When transmitted.

Am. 1903, Act 218; 1905, Act 86; 1911, Act 90.

It was an improper exercise of the discretion of the superintendent of public instruction to reject from the list of names 91 school children, whose parents or guardians, as shown in the report of the secretary of the public schools, resided in the district, and it was unlawful to reject the names of five children who were orphans attending school in the city and living with relatives that stood in loco parentis.—Muskegon Public Schools v. Wright, 176 / 6.

Penalty for giving false information for school census.

(69) § 4688. SEC. 22a. Any person who shall refuse to give any census enumerator of school children the necessary information for the compiling of a correct census or who shall intentionally give to such enumerator any false information as to the names or ages of school children or as to the names or residence of the parents or guardians of any school children, or any school census enumerator who shall perform his duties carelessly or negligently or shall include in the list of names of school children any children who are not actually residents of the city or district, shall be guilty of a misdemeanor, and upon conviction thereof in a court of competent jurisdiction, shall be liable to a fine of not less than five dollars nor more than fifty dollars, or to imprisonment in the county jail for not more than twenty days, or both such fine and imprisonment in the discretion of the court.

Am. 1905, Act 208.

Report to school inspectors, what to contain.

(70) § 4689. SEC. 23. The director shall also, at the end of the school year, and previous to the first Monday in August in each year, deliver to the township clerk, to be filed in his office, a report to the board of school inspectors of the township, showing:

First, The whole number of children belonging to the district between the ages of five and twenty years, according to the census taken as aforesaid;

Second, The number attending school during the year under five, and also the number over twenty years of age;

Third, The number of non-resident pupils of the district that have attended school during the year;

Fourth, The whole number that have attended school during the year;

Fifth, The length of time the school has been taught during the year by a qualified teacher, the name of each teacher,

the length of time taught by each, and the wages paid to each;

Sixth, The average length of time scholars between five and twenty years of age have attended during the year;

Seventh, The amount of money received from the township treasurer apportioned to the district by the township clerk;

Eighth, The amount of money raised by the district, and the purposes for which it was raised;

Ninth, The kind of books used in the school;

Tenth, Such other facts and statistics in regard to the schools and the subject of education as the superintendent of public instruction shall direct.

Am. 1905, Act 36.

(71) § 4690. SEC. 24. The director of each fractional district shall make his annual report to the clerk of the township in which the schoolhouse is situated, and shall also report to the clerk of each township in which the district is in part situated, the number of children between the ages of five and twenty years in that part of the district lying in such township. *Where director of fractional district to report.*

(72) § 4691. SEC. 25. It shall be the duty of the treasurer of each school district:

First, To execute to the district and file with the director, *Treasurer to file bond.* within ten days after his election or appointment, a bond in the full amount of money to come into his hands during each year of his term of office, as near as the same can be ascertained, with two or more sureties, each of whom shall be required to justify in writing and under oath to the amount for which he is holden in said bond; or the treasurer may furnish the bond of some surety company authorized to do business in this state. The premium on said surety *Premium.* bond if purchased shall be paid by the district; the form of the bond, the penalty and sufficiency of the sureties to be subject to the approval of the moderator and director, conditioned for the faithful performance of his duties and the proper application of all moneys that shall come into his hands by virtue of his office. Said bond shall be filed *Filing and approval.* with the director, and none of the books or money of the district shall be placed in the hands of the treasurer until his bond has been so approved and filed, and in case of any breach of the conditions thereof the moderator shall cause a suit to be commenced thereon in the name of the district, and any moneys collected thereon shall be paid into the township treasury subject to the order of the district officers, and shall be applied to the same purposes as the moneys lost should have been applied by the treasurer: Provided, That *Proviso, deposits.* if the treasurer shall deposit the money in any bank or trust company authorized to do business in this state, such deposit shall be made in his name as treasurer of the dis-

trict, and any and all interest paid by such bank or company on such deposits shall be accounted for by the treasurer to the district and credited to the general fund: Provided, That no bank or depository shall receive a larger deposit of said funds than the amount of the bond as hereinafter provided, and in no event to exceed one hundred thousand dollars, and such bank or banks shall give good and sufficient bond to be approved by the district board conditioned for the receipt, safe-keeping and payment of all money which may come into its custody, in the amount designated as the penalty in the bond furnished by the district treasurer to the district. It shall be the duty of the treasurer of said district to see that a sum in excess of the amount of the bond is not deposited in such bank or banks, and said treasurer and his bondsmen shall be liable for only such loss occasioned by deposits in excess of the amount of such bond. The district board of each district shall determine by resolution the time for which such deposits shall be made, and all details for carrying into effect the authority herein given, but all such proceedings in connection with the deposit of such moneys shall be conducted in such a manner as to insure full publicity and shall be open

at all times to public inspection: Provided, That the electors at the annual meeting may designate a depository or depositories in which the funds of the district shall be deposited: Provided, however, That upon failure of the electors at such annual meeting to designate such depository or depositories, the district board by a majority vote of the members thereof, may designate a depository or depositories in which the funds of the district shall be deposited. Upon designation of any depository or depositories in compliance with the provisions of this section, it shall be the duty of the treasurer to deposit all funds of the district therein, and in such proportion and manner as may be provided by said district board. Every such depository so named shall give such bond as the district board may require and approve for the safe-keeping and accounting of such funds, in which case the treasurer shall not be held liable for any neglect or default by any such depository or depositories;

Orders.

Second, To pay all orders of the director, when lawfully drawn and countersigned by the moderator, out of any moneys in his hands belonging to the fund upon which such orders may be drawn;

Record kept.

Third, To keep a book in which all moneys received and disbursed shall be entered, the sources from which the same have been received, and the persons to whom and the objects for which the same have been paid;

Annual report.

Fourth, To present the district board at the close of the school year a report in writing, containing a statement of all moneys received during the preceding year and each item of disbursements made, and exhibit the voucher therefor;

Fifth, To appear for and on behalf of the district in all suits. suits brought by or against the same when no other directions shall be given by the qualified voters in the district meetings, except in suits in which he is interested adversely to the district, and in all such cases the moderator shall appear for such district if no other directions be given as aforesaid;

Sixth, At the close of his term of office to settle with the district board and deliver to his successor in office all books, vouchers, orders, documents and papers belonging to the office of treasurer, together with all district moneys remaining on hand;

Seventh, To perform such other duties as are or shall be by law required of the treasurer.

Am. 1901, Acts 62, 165; 1903, Acts 21, 49; 1907, Act 91; 1909, Act 83; 1911, Act 218; 1915, Act 40.

FIRST: An assessor cannot lawfully withhold the district funds in his hand when demanded by his successor, upon a claim that he is entitled to be personally notified of such election and acceptance of office. He is chargeable with notice of such facts and is liable to an action for money had and received as well as action on his bond.—*Mason v. Sch. Dist.*, 34 / 228. See *Welch v. Frost*, 1 / 30; also, *Bryant v. Moore*, 50 / 225.

SECOND: See section 66, subd. 2, and section 87, subd. 4, and notes. The assessor is the disbursing officer of the district.—*Sch. Dist. v. Mallary*, 28 / 111. He is the lawful treasurer and depositary of school district funds and all moneys must pass through his hands and be paid out by him on proper orders.—*Sch. Dist. v. Sch. Dist.*, 40 / 551. Moneys in the hands of the township treasurer belonging to a school district cannot be applied to any district purpose, except through the hands of the assessor.—*Burns v. Bender*, 38 / 198. An assessor cannot pay out any money lawfully without a warrant.—*Id.* Interest is not payable on school district orders if no authority has been given to impose it.—*Turnbull v. Sch. Dist.*, 45 / 496. But interest may be allowed from demand when mandamus is granted for payment, when its claim is such a settled demand as would sustain a recovery of interest at law.—*Martin v. Tripp*, 51 / 184. Mandamus lies to compel a district to pay or provide for the payment of its orders.—*Turnbull v. Sch. Dist.*, 45 / 496. And to compel an assessor to pay a school order, where the court is satisfied that there is no valid defense.—*Martin v. Tripp*, 51 / 184. A showing of a want of funds is a complete answer to an application for mandamus to require an assessor to pay a warrant drawn on him.—*Allen v. Frink*, 32 / 96.

FIFTH: The management and control of suits is specially confided to the assessor, when no other direction is given in district meeting; the moderator and director, though constituting a majority of the district board, have no authority to take the defense of a suit from the assessor. And the voters, as such, cannot interfere.—*Sch. Dist. v. Wing*, 30 / 351. See *Benalleck v. People*, 31 / 204. An appeal taken in the name of the district without the authority of the assessor, if he is competent to act, is void.—*Id.* Whether he is a proper relator for mandamus to compel the moderator to sign the director's warrants, see *Burns v. Bender*, 36 / 197.

SIXTH: Deposits in a bank: Where money belonging to a board of education or a school district is deposited in a bank with the knowledge of the board and the district receives interest thereon, the district does not become a preferred creditor upon failure of bank.—*Bd. of Ed. City of Detroit v. Union Trust Co.*, 136 / 454.

LIABILITIES ON BOND: Misconduct of a board of education in appointing a certain person treasurer in consideration of a promise to pay interest on funds does not render appointment void nor release sureties. The depositing of funds in a bank of which the treasurer is an officer does not make the deposit the board's act so as to release sureties on the treasurer's bond.—*Board of Education of Detroit v. Andrews*, 142 / 484.

shall be distributed to such district or to such proportional part of the township, although the report from such district or township shall set forth that a school or schools have been so taught, and it shall be the duty of the township clerk or the board of education, when said board shall make the reports as hereinbefore provided, to certify all these facts as to the employment of teachers to the superintendent of public instruction.

One copy of such map shall be filed by said clerk in his office and one other copy he shall file with

the supervisor of the township. If any division or alteration ^{Alterations.} is at any time made in the boundaries of any district or of any township district, the township clerk shall within one month thereafter file a new map and copy thereof as aforesaid showing such changes.

It shall be the duty of the town-^{Clerk to certify proposed school taxes.} ship clerk of each township, on or before the first day of October in each year, to make and deliver to the supervisor of his township a certified copy of all statements on file in his office of moneys proposed to be raised by taxation in each of the several school districts of the township, if any, for school purposes, or to be raised by any township district, whole or fractional, for such purposes. In case such condition shall arise, he shall certify to the supervisor the amount to be assessed upon the taxable property of any school district retaining the district schoolhouse or other property on the division of the district as the same shall have been determined by proper authority, and he shall also certify the same to the director or secretary of such district and to the director or secretary of the district entitled thereto.^{In case of division of district.}

shall give notice of the amount to be received by each district to the director thereof.

TOWNSHIP SUPERVISOR AND TREASURER.

Assessment and collection of district taxes.

(78) § 4704. SEC. 13. It shall be the duty of the supervisor of the township to assess the taxes voted by every school district in his township, and also all other taxes provided for in this act, chargeable against such district or township, upon the taxable property of the district or township respectively, and to place the same on the township assessment roll in the column for school taxes, and the same shall be collected and returned by the township treasurer in the same manner and for the same compensation as township taxes. If any taxes provided for by law for school purposes shall fail to be assessed at the proper time, the same shall be assessed in the succeeding year.

Taxes not assessed at proper time.

FAILURE TO ASSESS: The provision in the last clause of this section applies to a case where school taxes are not certified by the board to the township clerk in time for certification to the supervisor for assessment.—Wilcox v. Eagle Twp., 81 / 271. See Union Sch. Dist. v. Parris, 97 / 596.

Assessment of one-mill tax.

(79) § 4705. SEC. 14. The supervisor shall also assess upon the taxable property of his township, one mill upon each dollar of the valuation thereof in each year, and report the aggregate valuation of each district to the township clerk, who shall report said amount to the director of each school district in his township, or to the director of any fractional school district a portion of which may be located in said township before the first day of September of each year: Provided, That before the supervisor shall assess said tax he shall examine the reports of the several school districts in his township for the preceding year and if said reports show, exclusive of funds raised for building purposes, a balance on hand in any district of a sum equal to or in excess of the amount paid for teachers' wages in said district during the preceding year, then said supervisor shall not assess the one-mill tax upon the property of such district for the ensuing year. All moneys raised by one-mill tax shall be apportioned by the township clerk to the district in which it was raised, and all moneys collected by virtue of this act during the year, on any property not included in any organized district, or in districts which have not maintained school for the required period during the previous year, shall be apportioned to the several other school districts of said township that did maintain school, in the same manner as the primary school interest fund is now apportioned. All moneys accruing from the one-mill tax upon the property of any district in any township before said district shall have a legal school therein, shall belong to the district in which it

(80) § 4706. SEC. 15. The amount to be assessed upon the taxable property of any school district retaining the schoolhouse or other property, on the division of a district, as the same shall have been determined by the inspectors, shall be assessed by the supervisor in the same manner as if the same had been authorized by a vote of such district; and the money so assessed shall be placed to the credit of the taxable property taken from the former district, and shall be in reduction of any tax imposed in the new district on said taxable property for school district purposes: **Proviso.** When district is divided, certain taxes to be assessed.
provided, That if the district retaining the school house shall vote to pay, and shall pay, before said taxes are assessed, any portion of said amount to the new district, said amount, as shall be certified by the moderator and director of the new district to the supervisor, shall be deducted from the amount to be assessed as provided in this section. NEW DISTRICT: The money when collected, must be paid to the assessor of the new district; and if wrongfully paid to the old one, the new district may maintain an action for money had and received, against the old district.—Sch. Dist. v. Sch. Dist., 40 / 551.

(81) § 4707. SEC. 16. The full amount of all taxes to be levied upon the taxable property in a fractional school district shall be certified by the district board to the township clerk of each township in which such district is in part situated, and by such township clerks to the supervisors of their respective townships, and it shall be the duty of each of said supervisors to certify to each other supervisor interested, the amount of taxable property in that part of the district lying in his township: **Provided,** That when there exists a manifest difference in the valuation of property assessed in fractional districts, composed of territory in adjoining townships or counties, such valuation shall be equalized for this specific purpose by the supervisors of the townships interested at a joint meeting held for that purpose, on application of either of the supervisors of said townships. And such supervisors shall respectively ascertain the proportion of such taxes, including mill tax, to be placed on their respective assessment rolls, according to the amount of taxable property in each part of such district. See section 39 and notes.

**School taxes,
when paid.**

(85) § 4711. SEC. 20. The township treasurer shall retain in his hands, out of the moneys collected by him, after deducting the amount of tax for township expenses, the full amount of the school taxes on the assessment roll, and hold the same subject to the warrant of the proper district officers, to the order of the school inspectors, or of the persons entitled thereto, and give a written notice to the township clerk of the amount.

SCHOOL TAXES: The township treasurer has no right to receive for school moneys anything which the law has not authorized to be received. If he does so and receipts for the taxes, he must make good the amount.—Jones v. Wright, 34 / 372; Sch. Dist. v. Sch. Dist., 40 / 554. See Elliott v. Miller, 8 / 182, and notes to section 2353, C. L. 1897. The liability of a township treasurer for school moneys is distinct from his ordinary liability for township moneys, and it cannot be released or in any way affected by the action of the township board.—Jones v. Wright, 34 / 372. As to the custody, etc., of school district moneys, see notes to section 67, subd. 4, and section 72, subd. 1, 2.

Liability of township to Sch. Dist., section 3914, C. L. 1897, provides that all losses that may be sustained by the default of any township officer in the discharge of any duty imposed by the act shall be chargeable to the township. The act charges the township treasurer with the duty of collecting and paying over all school district taxes. Held, that a township is liable to a school district for school moneys lost through the defalcation of the township treasurer.—Smith v. Jones, 186 / 582. Designating depository for township funds, see Act 305, P. A. 1909.

(86) § 4712. SEC. 21. The township treasurer shall, Township treasurer to apply to county treasurer for moneys. from time to time, apply to the county treasurer for all school and library moneys belonging to his township, or the districts thereof; and on receipt of the moneys to be apportioned to the districts, he shall notify the township clerk of the amount to be apportioned.

CHAPTER V.

COUNTY CLERK AND TREASURER.

(88) § 4714. SECTION 1. It shall be the duty of each county clerk to receive all such communications, blanks, and documents as may be directed to him by the superintendent of public instruction, and dispose of the same in the manner directed by said superintendent.

(89) § 4715. SEC. 2. The clerk of each county shall, on receiving from the secretary of the county board of school examiners the annual reports of the several boards of school inspectors, file the same in his office. (90) § 4716. SEC. 3. The several county treasurers shall apply for and receive such moneys as shall have been apportioned to their respective counties, when the same shall become due; and each of said treasurers shall immediately give notice to the treasurer and clerk of each township in his county, of the amount of school moneys apportioned to his township, and shall hold the same subject to the order of the township treasurer.

CHAPTER VI.

BONDED INDEBTEDNESS OF DISTRICTS.

School district may borrow money, etc.

How raised.

Proviso, limit.

Further proviso, board of inspectors.

(91) § 4717. SECTION 1. Any school district may, by a majority vote of the qualified voters of said district present at an annual meeting or at a special meeting called for that purpose, borrow money, and may issue bonds of the district therefor, to pay for a school-house site or sites, and to erect and furnish school buildings. The district board, or board of education, shall estimate the amount of money necessary to be raised and shall state their estimate in the notices of the annual or special meeting, at which the question of borrowing money and issuing bonds shall be submitted to the people; and at said meeting the voters shall have power to ratify by vote aforesaid the estimate of the district board, or board of education, or to fix a new limit on the amount to be borrowed and for which bonds may be issued: Provided, That no school district shall issue bonds for an amount greater than ten per cent of the total assessed valuation of said district nor shall the bonded indebtedness of a district extend beyond the period of fifteen years for money borrowed: Provided further, That in all proceedings under this section, the district board and one person selected by the qualified voters present at said meeting shall constitute a board of inspectors, who shall cause a poll list to be kept and a suitable ballot box to be used, and the polls shall be kept open at least two hours. The votes shall be by ballot, either printed or written, or partly printed and partly written, and the canvass of the same shall be conducted in the same manner as at township elections, or as far as the laws governing the same are applicable, and when said laws are not applicable the board of inspectors shall prescribe the manner in which the canvass shall be conducted.

Am. 1899, Act 190; 1901, Act 165; 1905, Act 270; 1907, Act 256; 1911, Act 12; 1913, Act 53.

BONDS: A vote to issue school district bonds in settlement of a demand, if in excess of the limit fixed by law, may be sustained up to the legal limit.—*Stockdale v. Sch. Dist.*, 47/226. The purchaser of a school district bond has a right to rely upon all facts asserted or appearing upon the face of the bonds, made by any person or body authorized by law to pass upon and determine the facts.—*Gibbs v. Sch. Dist.*, 88/336. Detaching a portion of a district and organizing it into or with another township.—*People v.*

Ryan, 19 / 203. The act of the legislature in detaching a part of the territory of a township and erecting therefrom a new township, of another name does not have the effect of putting an end to the school district organizations in the detached territory, and the holder of bonds issued thereafter by a district in such territory may recover thereon notwithstanding a subsequent reorganization of the district.—Wayne Co. Sys. Bank v. School District, 152 / 440. The provisions of the general school law govern the school district of Traverse City, organized under special act, when not inconsistent with the provisions of the special act, and the limit of bonded indebtedness fixed in this section is applicable to said city.—Bd. of Ed. of Traverse City v. Straub, 182 / 665.

(92) § 4718. SEC. 2. Whenever any school district shall have voted to borrow any sum of money, the district board of such district is hereby authorized to issue the bonds of such district, in such form, and executed in such manner by the moderator and director of such district, and in such sums, not less than fifty dollars, as such district board shall direct, and with such rate of interest, not exceeding eight per centum per annum, and payable at such time or times as the said district shall have directed. Issuing bonds for money borrowed.

The statute limits the authority of the board, in issuing bonds, to such as are authorized by the district; and, before the board can act, it has a function to perform in its nature somewhat judicial. It must pass upon the question whether the proceedings in voting the bonds are such as will authorize the board to issue them. A purchaser of the bonds, therefore, need look no further back than the face of the bonds for the facts which show a compliance with the law.—Gibbs v. Sch. Dist., 88 / 387.

(93) § 4719. SEC. 3. Whenever any money shall have been borrowed by any school district, the taxable inhabitants of such district are hereby authorized, at any regular meeting of such district, to impose a tax on the taxable property in such district, for the purpose of paying the principal thus borrowed, or any part thereof, and the interest thereon, to be levied and collected as other school district taxes are collected. Voters may raise tax to redeem bonds.

(94) § 4720. SEC. 4. Any school district, whenever it shall appear that the same can be done on terms advantageous to said district, may borrow money to pay any bonded indebtedness of said district then existing, and issue further bonds of said district therefor: Provided, That a majority of the qualified voters of said district shall so determine, at an annual or special meeting called for that purpose; and that the notice of such meeting, whether annual or special, shall state the intention to take such vote. District may borrow money to pay bonds, and issue further bonds.

CHAPTER VII.

SUITS AND JUDGMENTS AGAINST DISTRICTS.

(95) SECTION 2. Justices of the peace shall have jurisdiction in all cases of assumpsit, trespass on the case and replevin against school districts, when the amount claimed, or matter in controversy shall not exceed one hundred dollars; and the parties shall have the same right of appeal as in other cases. Justices to have jurisdiction in certain cases.

See Act 814, of 1915, p. 187, superseding C. L. § 4727.

SITES FOR SCHOOLHOUSES.

(102) § 4728. SECTION 1. The qualified voters of any school district, when lawfully assembled may designate by a vote of two-thirds of those present, such number of sites as may be desired for schoolhouses and may change the same by similar vote at any annual or special meeting, or by the same vote may enlarge any existing site. Whenever the question of designating a school site or of changing a school site is to be brought before the school meeting, the notice of said meeting shall state the intention to vote upon such question. When no site can be established by such inhabitants as aforesaid, the school inspectors of the township or townships in which the district is situated, upon notification by the district board that the district is unable to fix a site, shall determine where such site shall be, and their determination shall be certified to the director of the district and shall be final, subject to alteration afterwards by the inspectors, on the written request of two-thirds of the qualified voters of the district, or by two-thirds of the qualified voters agreeing upon a site at a district meeting lawfully called.

Am. 1903, Act 182; 1905, Act 75.

NO SITE ESTABLISHED: It is only when the inhabitants cannot agree in establishing any site at all, that the inspectors are allowed to fix one.—*Andress v. Inspectors*, 19 / 832.

TOWNSHIP BOARD: Powers and duties formerly given to school inspectors now vest in township board.

NOTICE: The amendment of 1905 requires that notice of intention to vote on a change of site must be given before the question may be passed on at an annual meeting.—*Calkins v. Rice*, 170 / 234. Insufficient notice.—*Id.*

(103) § 4729. SEC. 2. Whenever a site for a schoolhouse shall be designated, determined, established or enlarged in any manner provided by law, in any school district, and whenever a site for a schoolhouse shall be designated, determined, established or enlarged by resolution of any board of education of any city and such board of education or such school district shall be unable to agree with the owner or owners of such site upon the compensation to be paid therefor, or for the land to enlarge the same, or in case such board

Am. 1903, Act 182; 1909, Act 232.

CONDEMNATION: The jurisdiction to condemn lands for a schoolhouse site is invoked by presenting to the proper officer a petition designating the site and showing disagreement with the owner as to compensation for it.—Smith v. they will assemble; or such notice may be served on such
owner personally, or by leaving a copy thereof at his last

Am. 1903, Acts 49, 182.

(106) § 4732. SEC. 5. It shall be the duty of such judge, Return of
commissioner, or justice, and of the persons summoned as venire and
jurors, as hereinbefore provided, and of the sheriff or con-
stable summoning them, to attend at the time and place
specified in such summons or venire; and the officer who sum-
moned the jury shall return such summons or venire to the
officer who issued the same, with the names of the persons
summoned by him as jurors, and shall certify the manner of
notifying the owner or owners of such real estate, if he was
found; and if he could not be found in said county, he shall
certify that fact. Either party may challenge any of the
said jurors for the same causes as in civil actions. If more
than twelve of said jurors in attendance shall be found qual-
ified to serve as jurors, the officer in attendance, and who
issued the summons or venire for such jury, shall strike from
the list of jurors a number sufficient to reduce the number of
jurors in attendance to twelve; and in case less than twelve
of the number so summoned as jurors shall attend, the sheriff
or constable shall summon a sufficient number of freeholders
to make up the number of twelve; and the officer issuing
the summons or venire for such jury, may issue an attach-

Jury to be sworn.

(107) § 4733. SEC. 6. The twelve persons selected as the jury shall be duly sworn by the judge, commissioner, or justice in attendance, faithfully and impartially to inquire, ascertain and determine the just compensation to be made for the real estate required by such school district for such site, or for the enlargement thereof, and the necessity for using the same in the manner proposed by such school district; and the persons thus sworn shall constitute the jury in such case. Subpoenas for witnesses may be issued, and their attendance compelled by such circuit judge, commissioner or justice in the same manner as may be done by the circuit court or by a justice's court in civil cases. The jury may visit and examine the premises, and from such examination and such other evidences as may be presented before them, shall ascertain and determine the necessity for using such real estate in the manner and for the purpose proposed by such school district, and the just compensation to be made therefor; and if such jury shall find that it is necessary that such real estate shall be used in the manner or for the purpose proposed by such school district, they shall sign a certificate in writing stating that it is necessary that said real estate, describing it, should be used as a site for a schoolhouse for such district, or to enlarge its existing site; also stating the sum to be paid by such school district as the just compensation for the same. The said circuit judge, circuit court commissioner, or justice of the peace, shall sign and attach to, and indorse upon the certificate thus subscribed by the said jurors, a certificate stating the time when and the place where the said jury assembled, that they were by him duly sworn as herein required, and that they subscribed the said certificate. He shall also state in such certificate who appeared for the respective parties on such hearing and inquiry, and shall deliver such certificates to the director, or to any member of the district board of such school district.

Upon filing such certificates in the circuit court of the county where such real estate is situated, such court shall, if it finds all the proceedings regular, render judgment for the sum specified in the certificate signed by such jury, against such school district, which judgment shall be collected and paid in the manner as other judgments against school districts are collected and paid.

Smith v. Sch. Dist., 40 / 143. Mandamus will not lie to compel a circuit Judge to overrule his finding that the proceedings taken for the condemnation of a site were irregular and to compel him to enter judgment for the amount found due.—Sch. Dist. v. Judge, 49 / 432.

(109) § 4735. SEC. 8. In case the owner of such real estate shall be unknown, insane, non compos mentis, or an infant, or cannot be found within such county, it shall be law-

ful for the said school district to deposit the amount of such judgment with the county treasurer of such county, for the use of the person or persons entitled thereto; and it shall be the duty of such county treasurer to receive such money, and at the time of receiving it, to give a receipt or certificate to the person depositing the same with him, stating the time when such deposit was made, and for what purpose; and such county treasurer and his sureties shall be liable on his bond for any money which shall come into his hands under the provisions of this act, in case he shall refuse to pay or account for the same, as herein required: Provided, That no such money shall be drawn from such county treasurer, except upon an order of the circuit court, circuit court commissioner, or judge of probate, as hereinafter provided.

(111) § 4737. SEC. 10. Such school district may, at any time after making the payment or deposit hereinbefore required, enter upon and take possession of such real estate for the use of said district. And it shall be the duty of the county clerk of said county, on the request of said school district, to issue out of and under the seal of the circuit court of said county a writ of possession as awarded in such order or decree; which writ shall be directed to the sheriff of said county, and shall be tested and made returnable, and shall be substantially, so far as may be, in the same form provided for writs of possession in actions of ejectment; and it shall be the duty of such sheriff thereupon to remove the respondent or respondents in such proceedings, and all persons holding under them or either of them, from the real estate described in such decree and in such writ, and deliver the possession thereof with the appurtenances to such school district.

Such proceedings may be adjourned from time to time by the said judge, or commissioner, or justice, on the application of either party, and for good cause, to be shown by the party applying for such adjournment, unless the other party shall consent to such adjournment; but such adjournments shall not in all exceed three months.

And the said circuit judge shall, by decree, settle their several claims in accordance with the rights of the parties respectively, and may divide the sum awarded by said jury between the claimants as in his judgment will be equitable and right, rendering against said district a separate judgment for each of the amounts so awarded.

(114) § 4740. SEC. 13. The circuit judge, judge of probate, or circuit court commissioner of any county where any money has been deposited with the county treasurer of such county, as hereinbefore provided, shall, upon the written application of any person or persons entitled to such money, and upon receiving satisfactory evidence of the right of such applicant to the money thus deposited, make an order, directing the county treasurer to pay the money thus deposited with him to said applicant; and it shall be the duty of such county treasurer, on the presentation of such order, with the receipt of the person named therein, indorsed on said order and duly acknowledged, in the same manner as conveyances of real estate are required to be acknowledged, to pay the same; and such order, with the receipt of the applicant or person in whose favor the same shall be drawn, shall, in all courts and places, be presumptive evidence in favor of such county treasurer, to exonerate him from all liability to any person or persons for said money thus paid by him.

(115) § 4741. SEC. 14. Circuit judges, circuit court commissioners, and justices of the peace, for any services rendered under the provisions of this act, shall be entitled to the same fees and compensation as for similar services in other special proceedings. Jurors, constables, and sheriffs shall be entitled to the same fees as for like services in civil cases in the circuit court.

(116) § 4742. SEC. 15. In case any circuit judge, circuit court commissioner, or justice of the peace, who shall issue a summons or venire for a jury, shall be unable to attend to any of the subsequent proceedings in such case, any other circuit court commissioner or justice of the peace may attend and finish said proceedings.

CHAPTER IX.

APEALS FROM ACTION OF TOWNSHIP BOARD.

(117) § 4743. SECTION 1. Whenever any five or more tax paying electors having taxable property within any school district shall feel themselves aggrieved by any action, order or decision of the township board or joint boards with reference to the formation or any division or consolidation of said school district, they may, at any time within sixty days from the time of such action on the part of said board, appeal from such action, order or decision of said board to the county commissioner of schools and a circuit court commissioner of the county in which such school district is situated. The county commissioner of schools and circuit court commissioner shall constitute a board of appeals for all such cases and shall be entitled to the usual fees provided by statute for circuit court commissioner. When an appeal shall be filed with the board of appeals herein provided for, said board shall serve notice on the clerk of the township board or the clerks of the joint boards who have made the decision appealed from, and said clerk or clerks shall notify the several members of such board of such appeal. The notice to the clerk and township board shall state the day and hour when such appeal will be heard, and it shall be the duty of said board of appeals to review, confirm, set aside or amend the action, order or decision of the township board or boards thus appealed from; or if in its opinion the appeal is frivolous or without sufficient cause it may summarily dismiss the same.

Am. 1909, Act 31.

ACTION OF INSPECTORS: The board of inspectors act in the exercise of a public discretionary power in creating or changing districts, which can be reviewed, if at all, only by some direct appellate process which operates upon the proceedings themselves to affirm, reverse or change them.—Clement v. Appellants to file written statement.

(118) § 4744. SEC. 2. Said appellants shall, before taking such appeal, make out and file with the board of appeals a written statement, to be signed by said appellants, setting forth in general terms the action, order or decision of the township board with respect to which the appellants feel themselves aggrieved, and their demand for an appeal therefrom to the board of appeals, and shall also cause to be executed and signed by one of their number, and by two good and sufficient sureties to be approved by the board of appeals, a bond to the people of the state of Michigan in the penal sum of two hundred dollars, conditioned for the due prosecution of said appeal before said board, and also in case of the dismissal of said appeal as frivolous by said board for the payment by said appellants of all costs occasioned by reason of said appeal.

(119) § 4745. SEC. 3. Upon the filing of such appeal papers and bond with the said board of appeals and after notice by the board of appeals to the township board from whose decision appeal is taken, said township board shall within ten days thereafter make out and file with the said board of appeals a full and complete transcript of all its proceedings, actions, orders or decisions with reference to which the appeal is taken and of its records of the same; also said bond and appeal papers and all petitions and remonstrances, if any, with reference to the matters appealed from, and upon the filing of the same with said board of appeals the said board shall be deemed to be in possession of the case, and if the return be deemed by it insufficient the board may order a further and more complete return by said township board, and when such return shall by it be deemed sufficient it shall proceed with the consideration of the appeal at such time or times, within ten days after such return in such manner and under such affirmation, amendment or reversal of the action, order or decision of the township board appealed from, as in its judgment shall seem to be just and right; or if it deem the appeal to be frivolous it may summarily dismiss the same.

CHAPTER X.

GRADED SCHOOL DISTRICTS.

(120) § 4746. SECTION 1. Any school district containing more than one hundred children between the ages of five and twenty years, may, by a majority vote of the qualified voters present at any annual or special meeting, organize as a graded school district. The intention to submit the question of the organization of a graded school district shall be expressed in the notice of such annual or special meeting. When such change in the organization of the district shall have been voted, the voters at such annual or special meeting shall proceed immediately to elect by ballot a board of education of five members, one member for the term of one year, two for the term of two years and two for a term of three years, and annually thereafter a successor or successors to the member or members whose term of office shall expire. Any qualified voter in such district whose name appears upon the assessment roll at the time of such election and who is the owner in his own right of the property so assessed, shall be eligible to election or appointment to the office of member of the board of education. In the election of members of the board of education and all other school officers, the person receiving a majority of all the votes shall be declared elected: Provided, That all graded school districts organized prior to the year nineteen hundred seven shall operate after the passage of this act under the provisions of this act without reorganization: And Provided also, That in all such districts the members of the board of education hereafter elected shall be elected under the provisions of this act.

Simpkins v. Ward, 45 / 562.

CUSTODY OF RECORDS: The proceedings provided by statute, sections 9843-9851 C. L., (chap. 39, judicature act of 1915), to compel delivery of books and papers by a public officer to his successor, are not adapted to a determination of the rights of contestants to any office, but are merely appropriate for ascertaining whether a petitioner is *prima facie* such an officer as entitles him to possession of the books and papers of the office. After an adjudication of this question by a court of competent jurisdiction the defeated party can not review the judgment by certiorari and thereby defeat the object of the statute, but must resort to quo warranto or other proceedings appropriate to try title to an office.—Murta v. Carr, 140 / 606.

GRADED SCHOOL DISTRICTS: The wisdom of the graded-school-district act was vindicated in Stuart v. Sch. Dist., 30 / 69, and its validity determined.—Keweenaw Ass'n v. Sch. Dist., 98 / 439. It is competent under the constitution to provide by taxation for free instruction in the higher departments of education, in union and high schools.—Stuart v. Sch. Dist., 30 / 69. Union and graded schools, whether organized under the general law or created by special enactment are subject to the general primary school law, except as otherwise provided in the law creating them.—People v. Detroit Board of Education, 18 / 411; Keweenaw Ass'n v. Sch. Dist., 98 / 442.

ALL OTHER OFFICERS: The term "all other school officers" includes the director, moderator and assessor of primary school districts, there being no others to whom it could refer, as the trustees are the only officers to be elected in graded school districts.—Cleveland v. Amy, 88 / 377.

LEGISLATIVE PROVISIONS: The constitution does not require an absolute uniformity in school districts throughout the state and the legislature has not so construed the constitutional provisions. Uniformity has not been kept up; graded schools have been established; boundaries of districts changed and fixed by the legislature; and the qualifications of electors at school meetings have been fixed, limiting the classes entitled to vote and providing exceptional methods of electing officers. The mayor of Grand Rapids is made a trustee and ex officio a member of the board of education;

and being a trustee he is eligible to the office of president of the board. The president of the board has the veto power. The mayor of Alpena is president of the board, and the trustees elected constitute the board, and exercise all the powers and perform the duties of trustees. The mayor of Detroit, as ex officio member of the board of education, has the veto power, and this provision is constitutional.—*Pingree v. Board of Education*, 99 / 407-9. It is no new thing for the legislature to fix the boundaries of school districts. It is done by the charter of nearly every city or village in the state, and some of them go so far as to provide exceptional methods of electing officers and limiting the classes entitled to vote (citing *Mudge v. Jones*, 59 / 165).—*Keweenaw Ass'n v. Sch. Dist.*, 98 / 441. And in *Perrizo v. Keeler*, 98 / 280, an act providing for the organization of school districts from entire townships was held valid.—*Id.* 442.

**Acceptance
of office.**

(121) § 4747. SEC. 2. Within ten days after his election, each member shall file with the secretary of the board an acceptance of the office to which he has been elected, accompanied by an affidavit setting forth the fact of eligibility as described in section one of this chapter. The board of education shall annually, and within fifteen days after the annual meeting, or within fifteen days after the organization under this act, elect from its own number a president, a secretary and a treasurer, and for cause may remove the same from such offices and may appoint others of their number in such places, and these officers shall perform the duties prescribed by the general school law for the moderator, director and treasurer of the district, except as herein-after provided. The board of education shall have power to fill any vacancy that may occur in its number until the next annual meeting, and if three vacancies occur at the same time a special meeting of the district shall be called to elect members of the board to fill such places. Within thirty days after his appointment, the treasurer of the board shall file with the secretary an official bond in such an amount and form as may be determined by said board. Said bond may be either personal or of some surety company authorized to do business in this state, and it shall be given for a sum not less than the greatest amount of money that the treasurer may have in his possession or under his control at any time during his term of office, as near as the same can be determined. When a personal bond is given it shall be signed by not less than two sureties, each of whom shall justify under oath to the full amount of the bond. If a surety bond is required and purchased, it may be at the expense of the district. Whenever, in any case, the board of education shall fail or neglect to elect the officers of the board named in this section within fifteen days next after the annual meeting, or after the organization of the district, the township board or the common council of any city within which said district is located shall appoint the said officers from the members of the board.

VACANCIES—COSTS: The minority of a school board have no authority to commence an action in its name, and, if they do so, they will be individually responsible for the costs.—*Johnston v. Mitchell*, 120 / 589.

(122) § 4748. SEC. 3. It shall be the duty of the board of education in any graded school district:

First, To determine the course of study to be pursued and to cause the pupils attending school in such district to be taught in such schools or departments as they may deem expedient;

Second, To establish in such district a high school, when directed by a vote of the district at any annual or special meeting, and to determine the qualifications for admission to such high school and the fees to be paid for tuition by non-resident students: Provided, That when non-resident students, their parents or legal guardians shall pay a school tax in said district, the same shall be credited on their tuition a sum not to exceed the amount of such tuition, and they shall only be required to pay tuition for the difference between the amount of the tax and the amount charged for tuition;

Third, To audit and order the payment of all accounts of the secretary for incidentals or other expenses incurred by him in the discharge of his duties; but not more than one hundred dollars shall be expended by the secretary in one year for repairs of buildings or appurtenances of the district property or for necessary appendages without the authority of the board of education;

Fourth, To estimate and vote the amount of tax necessary, in addition to other school funds, for teachers' wages, fuel and incidental expenses, for the ensuing year, and when the voters fail or neglect to vote the same, to estimate and vote the amount of tax necessary for salaries of officers and servants, and when such tax has been voted by the board of education it shall be reported to the assessing officer in the same manner as other taxes of the district are reported;

Fifth, In all villages and cities organized as graded school districts under the provisions of this act, in which districts six or more teachers are employed, to employ a superintendent of schools who shall be the holder of at least a state life certificate or a normal school diploma, or who shall have educational qualifications equivalent thereto, and said superintendent shall have the following duties:

(a) To recommend in writing all teachers necessary for the schools, and to suspend any teacher for cause until the board of education, or a committee of such board, may consider such suspension;

(b) To classify and control the promotion of pupils;

(c) To recommend to the board the best methods of arranging the course of study and the proper text-books to be used;

(d) To make reports in writing to the board of education and to the superintendent of public instruction annually or oftener if required, in regard to all matters pertaining to the educational interests of the district;

(e) To supervise and direct the work of the teachers;
 (f) To assist the board in all matters pertaining to the general welfare of the school and to perform such other duties as the board may determine.

To employ
teachers,
determine
salary of, etc.

Sixth, To employ all legally qualified teachers necessary for the several schools upon recommendation of the superintendent, and to determine the amount of their compensation, and to require the secretary and president to make contracts with the same on behalf of the district in accordance with the provisions of law governing contracts with teachers: Provided, That the board of education may employ a teacher not recommended by the superintendent, or may reinstate a teacher suspended by the superintendent;

Proviso.

To employ
other
officers.

Seventh, To employ such other officers and servants as may be necessary for the management of the schools and school property, and to prescribe their duties and fix their compensation;

Other duties
of board.

Eighth, To perform such other duties as are required of district boards in other school districts, or as may be necessary to the general welfare of the school and district.

Am. 1907, Act 247.

FIRST: To classify and grade.—*People v. Detroit Bd. of Ed.*, 18 / 412. Under our system it is common and convenient to have the various grades in one building and there is nothing illegal in it.—*Hathaway v. New Baltimore*, 48 / 255. The authority to classify and grade the pupils and prescribe the course of studies confers the power to provide for teaching music and to purchase a piano for such purpose.—*Knabe v. Board of Education*, 67 / 262.

FOURTH: A contract with a qualified teacher, made pursuant to a resolution adopted by a majority of the trustees and signed by the moderator and assessor and one of the trustees, is valid though not signed by the director.—*Farrell v. Sch. Dist.*, 98 / 43 (citing *Crane v. Sch. Dist.*, 61 / 299). The board has power to employ a qualified teacher for the ensuing year prior to the annual school meeting.—*Id.*, (citing *Tappan v. Sch. Dist.*, 44 / 500; *Cleveland v. Amy*, 88 / 374). The power to employ teachers conferred upon the district boards of primary schools is co-extensive with that conferred upon the boards of trustees of graded schools.—*Cleveland v. Amy*, 88 / 376. Teachers in graded schools are required to have certificates in the same manner as teachers in primary schools; but a person employed by the board to superintend and manage the schools need not be a teacher nor have a teacher's certificate.—*Davis v. Sch. Dist.*, 81 / 214. The trustees are empowered to employ all teachers necessary, and what teachers are necessary is left to be decided by their sound discretion.—*Tappan v. Sch. Dist.*, 44 / 502.

FIFTH: The power to appoint a superintendent of schools is incident to the full control which by law the board has over the schools.—*Stuart v. Sch. Dist.*, 30 / 85. Qualification of superintendent, see *Davis v. Sch. Dist.*, 81 / 219-20.

SIXTH: A contract between a teacher and a graded school district is invalid, unless the teacher, at the time of making the contract, has the certificate required by section 217, authorizing her to teach during the term covered by the contract; obtaining a certificate after the making of the contract, and before commencement of school, is not a compliance with the statute.—*McCloskey v. Sch. Dist.*, 184 / 285.

Altering

graded school
districts.

(123) § 4749. SEC. 4. No alterations shall be made in the boundaries of any graded school district without the consent of a majority of the trustees of said district, which consent shall be spread upon the record of the district, and placed on file in the office of the clerk of the township or city to which the reports of said district are made: Provided, however, That any three or more taxpaying electors having children between the ages of five and twelve years, residing one and one-half miles or more from a schoolhouse in such district, feeling themselves aggrieved by any action,

Said appellants shall file Bond, amount of, where filed. a bond with said judge of probate, with sufficient sureties to be approved by said judge of probate, in the penal sum of not exceeding two hundred dollars in the discretion of the court, indemnifying said school district of any and all costs made on such appeal in case the appellants shall not prevail therein. Whereupon said judge of probate shall be empowered to entertain such appeal, and review, confirm or set aside or amend the action of the board of trustees appealed from. Judge of probate to review action.

(124) § 4750. SEC. 5. Whenever two or more contiguous districts, having together more than one hundred children between the ages of five and twenty years, after having published in the notices of the annual meetings of each district the intention to take such action, shall severally, by a vote of a majority of the qualified voters attending the annual meetings in said districts, determine to unite for the purpose of establishing a graded school district under the provisions of this chapter, the township board of the township or townships in which such districts may be situated shall, on being properly notified of such vote, proceed to unite such districts, and shall appoint as soon as practicable a time and place for a meeting of the new district, and shall require three notices of the same to be posted in each of the districts so united at least five days before the time of such meeting, and at such meeting the district shall elect a board of trustees, as provided in section one of this chapter, and may do whatever business may be done at any annual meeting. notice of such annual meeting, state that the proposition set forth in said petition will be presented to said meeting, and if two-thirds of the qualified voters present at said meeting shall vote to change to one or more primary school districts such change shall be made, and it shall be the duty of the township board of the township or townships in which such district is situated, upon being duly notified of such vote, to proceed to change or divide such district as determined by such annual meeting, and they shall provide for the holding of the first meeting in the, or each of the, proposed primary school districts in the same manner as is provided for by law for the organization of primary school districts, and whenever a fractional graded school district shall be so changed, the township boards of the respective townships where such graded school district is situated shall organize the said district into one or more primary school districts, as provided for by law.

(126) § 4752. SECTION 1. A library may be maintained in each organized township or city which shall be the property of the township or city and under the control of the township board of said township or the board of education of the village or city. All actions relating to such library or for the recovery of any penalties lawfully established in relation thereto, shall be brought in the name of the township or city: Provided, That if in the judgment of said township board the people of said township will be better served by disposing of said library to the several school districts of the township, said board shall have authority to take such action, or the said board may authorize the merging of the township library into a free public library in accordance with the statutes authorizing the establishment of such free public libraries, and after such merging the free public library so established shall receive all the books of the former township library, and the township library shall be considered abandoned: Provided further, That when any legal action is taken or becomes necessary concerning the township library the township clerk shall represent the township in all actions concerning said library: Provided further, That when any township has already been organized as a township school district or shall hereafter be organized as a township school district, the control of the township library shall pass from the township board to the board of education of such township, and all rights, powers and duties heretofore exercised by the said township board or the members thereof shall be

The township treasurer shall pay out such library moneys on the order of the township clerk, countersigned by the supervisor. The township board shall purchase books and procure the necessary appendages for the township library: Provided, That when the township library shall pass to the control of the township board of education, the township treasurer shall continue to apply for and receive all library moneys and pay them over to the treasurer of the board of education upon proper warrant of the township district. In villages or cities the treasurer of the board of education shall apply for and receive all moneys apportioned or appropriated for libraries and shall disburse such funds in the same manner as other educational funds.

(130) § 4756. SEC. 5. The township board shall cause the township library to be kept at some central and suitable place in the township which it shall determine. Said board shall also, within ten days after the annual township meeting, appoint a librarian for the term of one year to have the care and superintendence of said library, and such librarian shall be responsible to the township board for the impartial enforcement of all rules and regulations lawfully established in relation to said library.

Libraries are within the proper range of school apparatus; and there is nothing in our laws which cuts off public corporations from accepting benevolent offerings to enable them to extend their usefulness and benefit their people, by enlarging their opportunities for culture and refinement without multiplying or increasing their burdens.—Maynard v. If a majority of all the voters as above provided present at such meeting shall authorize said board to raise by tax a sum sufficient to comply with the provisions of this act, the district board shall thereupon make a list of such books and file one copy with the township clerk and keep one copy posted in the school, and due notice of such action by the district shall be noted in the annual report to the superintendent of public instruction. The district board shall take the necessary steps to purchase such books for the use of all pupils in the several schools of their district, as hereinafter provided. The text-books so purchased shall be the property of the district purchasing the same, and shall be loaned to pupils free of charge, under such rules and regulations for their careful use and return as said district board may establish: Provided, That nothing herein contained shall prevent any person from buying his or her books from the district board of the school in which he or she may Books to be property of district, etc. Proviso.

It shall be the duty of the district board of any school district adopting free text-books provided for in this act to make a contract with some dealer or publisher to furnish books used in said district at a price not greater than the net wholesale price of such books: Provided, That any district may, if it so desires, authorize its district board to advertise for proposals before making such contract.

On the first day of February next after the tax shall have been levied, the director of said district may proceed to purchase the books required by the pupils of his district from the list mentioned in section one of this act, and shall draw his warrant, countersigned by the moderator, upon the treasurer or assessor of the district for price of the books so purchased, including the cost of transportation.

(b) Must be a graduate of the literary department of some reputable college, university, or state normal school having a course of at least three years: Provided, That the holder of a state teacher's certificate, or of an indorsed first grade certificate, or of a certificate granted in another state and indorsed by the state board of education of this state, shall be eligible in any county: Provided further, That persons who now hold the office of commissioner of schools shall be eligible to succeed themselves: Provided further, That in counties employing less than fifty teachers a person holding at the time of his or her election a second grade certificate shall be eligible in the county where such certificate was granted, unless a person qualified as heretofore provided cannot be secured to fill the position.

Am. 1909, Act 222.

QUALIFICATIONS OF COMMISSIONER: A high school is not a college within the meaning of this section. A special first grade certificate not granted at one of the regular public examinations provided for by law, or one granted without any examination, or one granted upon public examination after election as commissioner, does not qualify. Holding the office of secretary of the board of examiners under Act 266 of 1887 (amendatory of chap. 12 of the primary school law, now superseded) is not a qualification.—People v. Howlett, 94 / 165. The legislative intent is to keep up the standard of teachers by requiring certain educational qualifications in the persons whose duty it is to examine the teachers and determine their fitness for their work.—People v. Howlett, 94 / 169. In the case of Attorney General v. Lewis, 151 / 81, it was held that persons elected to the office of commissioner, and, holding the same after the amendment of 1895, are eligible, since the statute is still the act of 1891 notwithstanding its amendments.

(216) § 4811. SEC. 4. The board of school examiners ^{Two regular examinations each year.} shall, for the purpose of examining all persons who may offer themselves as teachers for the public schools, hold two regu-

lar public examinations in each year at the county seat, which examinations shall begin on the last Thursday of April and the second Thursday of August of each year. From these two examinations certificates of all grades may be granted. It shall be the duty of the county commissioner to make out a schedule of the times and places of holding such examinations and to cause it to be published in one or more newspapers of the county at least ten days before each examination.

Certificates when granted.

(217) § 4812. SEC. 5. The board of school examiners shall meet on the Saturday of the week following each public examination held according to the provisions of section four of this act, and shall grant certificates to teachers in such form as the superintendent of public instruction shall prescribe, licensing as teachers all persons who have attained the age of eighteen years, who have attended such public examinations and who shall be found qualified in respect to good moral character, learning and ability to instruct and govern a school, but no certificate shall be granted to any person who shall not have passed a satisfactory examination in orthography, reading, writing, grammar, geography, arithmetic, theory and art of teaching, United States history, civil government, physiology and hygiene with reference to the effect of alcoholic drinks and narcotics upon the human system, school law, agriculture, and the course of study for the district schools of Michigan prepared by the superintendent of public instruction: Provided, That no certificate shall be granted under the provisions of this act to any person who shall not have completed a term of at least six weeks' work in professional training in a state normal school or in one of the county normal training classes of the state or any normal training school conducted by any municipality in the state, or in any school approved by the state superintendent of public instruction; but the completion of one-half year of work in a school maintaining four years of work above high school rank shall be accepted in lieu of this requirement. This proviso, however, shall not apply to persons who have taught in the schools of the state for at least five months prior to July one, nineteen hundred sixteen:

Provided further, That no certificate shall be granted under the provisions of this act to any person who, having arrived at the age of twenty-one years, is not a citizen of the United States: Provided further, That any commissioner may, upon the request of any holder of a second or third grade certificate, send the papers written by such person, properly certified and under seal, to the county board of school examiners of any other county for its examination, and such board of school examiners may in its discretion, receive such papers and if it accept them shall treat them

in the same manner as if written at a public examination in its own county: Provided further, That the board of examiners shall have the right to renew without examination the certificates of any persons who shall have previously attained an average standing of at least eighty-five per cent in all the studies covered in two or more previous examinations, and who shall have been since such last named examination continuously and successfully teaching in the public schools: Provided further, That an indorsed first grade certificate may be renewed in the county where issued or in the county where the holder may be teaching at the time of its expiration. All certificates shall be signed by the county commissioner and by at least one of the members of the board of examiners. No person shall be considered a qualified teacher within the meaning of this act, nor shall any school officer employ or contract with any person to teach in any of the public schools under the provisions of this act who has not a certificate in force granted by the board of school examiners or other lawful authority. All examination questions shall be prepared and furnished by the superintendent of public instruction to the county commissioner under seal, to be opened in the presence of the applicants for certificates on the day of examination.

(218) § 4813. SEC. 6. There shall be three grades of certificates granted by the board of school examiners in its discretion and subject to such rules and regulations as the superintendent of public instruction may prescribe, which grades of certificates shall be as follows: The certificate of the first grade shall be granted only to those who have taught at least one year with ability and success, and it shall be valid throughout the state for four years: Provided, That all examination papers for first grade certificates favorably passed upon by the board of examiners, together with such certificate, shall be forwarded to the superintendent of public instruction within ten days from date of examination for inspection: Provided further, That any applicant for a first grade certificate who feels that the county board of school examiners has not given his papers the credit due them, may order them sent to the state superintendent of public instruction for inspection; and if the standings given by the state superintendent of public instruction are sufficient for his indorsement of the certificate, the county board of school examiners shall issue such certificate, unless it shall give reasons satisfactory to the superintendent of public instruction.

The certificate of the second grade shall be granted only to those who shall have taught at least seven months with ability and success, and it shall be valid throughout the county for which it shall be granted for three years, and such certificate may be transferred to another county as provided in section five of this act. The certificates of the third grade shall be divided into two classes known as A and B. Third grade certificates of class A shall be granted only to persons who have taught successfully and continuously for at least three years next preceding the examination in primary departments of graded schools, and the certificate of this class shall entitle the holder to teach in primary departments of graded schools only. Third grade certificates of class B shall license the holder to teach in any school of the county in which it shall be granted for one year, and such certificate may be transferred to another county in the same manner that second grade certificates are transferred in section five of this act; but no more than three certificates of this class shall be granted to the same person: Provided, That third grade certificates granted at the April examination shall be good until the thirtieth day of June of the following year: Provided further, That the county commissioner shall have power, upon personal examination in the third grade branches satisfactory to himself or herself, to grant certificates which shall license the holder thereof to teach in a specified district for which it shall be granted, but such certificate shall not continue in force beyond the time of the next public examination, and in no case shall a second special certificate be granted the same person within three years.

CERTIFICATES: The general policy of the school law is that schools shall be taught by qualified teachers, but necessities may arise where this cannot be done. When such necessity arises, the district may employ a teacher without a certificate, if the board is satisfied of his qualifications and pay him out of any moneys except primary school money and mill tax.—Hale v. Risley, 69 / 596. As to the liability of the district for such services, see *Id.*; Stockdale v. Sch. Dist., 47 / 226; Crane v. Sch. Dist., 61 / 209; Smith v. Sch. Dist., 69 / 589. See Sch. Dist. v. Crook, 47 / 112. A certificate issued to one who has not taken an examination at all and whose qualifications are not ascertained upon an examination, is not such a certificate as the law provides for.—People v. Howlett, 94 / 170-1. The action of the board of examiners in refusing a certificate cannot be questioned by the rejected applicant in a suit to recover wages she would have earned under her contract but for such adverse action.—Lee v. Sch. Dist., 71 / 361. A certificate, issued for three years, cannot be legally extended by the secretary, by being changed to read for four years, after the board of examiners who issued it have gone out of office.—Bryan v. Sch. Dist., 111 / 67.

SPECIAL CERTIFICATES: The secretary of the board (under the old law) had no right, after the refusal of the board to grant a certificate, to issue a special certificate to the rejected applicant.—Lee v. Sch. Dist., 71 / 361. The object of a special certificate is to bridge over the time between the commencement of a school and the next meeting of the examiners and such a certificate has life only until the next regular examination.—*Id.*; People v. Howlett, 94 / 170.

(219) § 4814. SEC. 7. The board of school examiners ^{Revocation of certificates.}
 may suspend or revoke any teacher's certificate issued by them for neglect of duty, incompetency, or immorality, ~~or~~ ^{for any other reason which would have justified said board in withholding the same when given, and said board may suspend the effect of any teacher's certificate granted by the county commissioner of schools which said certificate licenses the holder thereof to teach in a specified district for which it shall be granted. Whenever written charges accusing any teacher of neglect of duty, incompetency, or immorality shall be filed with the county commissioner of schools, ^{Duty of commissioner when charges preferred.} said commissioner shall immediately notify said accused teacher that charges have been filed against him and shall attach to such notice a certified copy of said charges together with the name or names of the person or persons filing the same, and said commissioner may, and on the written demand of the accused teacher shall, within twenty days after the filing of said charges, call a meeting of the board of school examiners of the county and shall summon the teacher, against whom charges have been preferred, and also summon any witnesses who may have knowledge of the facts, to appear before said board of examiners on the date mentioned in the summons. Said summons shall have the force of a summons or subpoena at law. On the day set for the meeting of the board of examiners, said board shall proceed ^{Duty of board at hearing.} to hear the case. The chairman of said board shall have authority to administer an oath to the several witnesses and examine them under oath if he deems it advisable. The board of examiners shall proceed to examine the party charged and the witnesses for and against said party, and if it shall appear that the charges made are true, then the said board shall have authority to suspend or revoke the certificate of the accused: ^{Provided.} That no certificate shall ^{Proviso.} be suspended or revoked without a personal hearing, unless the holder thereof shall, after a reasonable notice, neglect or refuse to appear before the said board for that purpose: ^{Provided as to non-appearance of person summoned.} And Provided further, That any person summoned to appear before the board of examiners for the purposes mentioned herein and who shall fail to appear before said board on the day specified in the summons, shall be deemed guilty of a misdemeanor, and upon conviction in any court of competent jurisdiction, shall be fined a sum not less than five dollars nor more than twenty-five dollars, or by imprisonment in the county jail for not more than twenty days or both such fine and imprisonment in the discretion of the court. The ^{Temporary suspension of certificate.} county commissioner of schools in any county shall have authority to temporarily suspend the force of any teacher's certificate when from his personal inspection of the work of said teacher, or from his personal knowledge, he is satisfied that such teacher has been guilty of wilful neglect of duty or}

is incompetent to instruct or govern the school, or has been guilty of gross immorality. The county commissioner of schools shall, upon suspending the force of any teacher's certificate, immediately, and within ten days thereafter, call a meeting of the board of school examiners and summon said teacher to appear before said board to show cause why his or her certificate should not be indefinitely suspended or revoked: Provided further, however, That it shall be the duty of the board of school examiners to file in the office of the county school commissioner its decision within ten days after the close of any hearing above mentioned, and it shall be the duty of the county school commissioner within five days after the filing of said decision to mail a copy thereof to said teacher: Provided further, however, That any teacher who feels aggrieved at the decision of the county board of school examiners may, within twenty days after the filing of such decision, take an appeal to the probate court of said county, who is hereby authorized to hear and determine said cause.

IMMORALITY: A communication representing that a certain person was of bad moral character and unfit to have the care of a school, made in good faith for the purpose of preventing such person's teaching the school, is privileged and is justified by proof that he is a blasphemer, habitually profane and a Sabbath-breaker.—Wieman v. Mabee, 45 / 484.

An Act to provide for the organization of township school districts in the state of Michigan.

[Act 117, P. A. 1909.]

The People of the State of Michigan enact:

Single school districts.

(230) SECTION 1. Whenever a majority of the qualified school electors in any organized township votes in favor of organizing said township into a single school district, such township shall, after the second Monday in July thereafter, be a single school district and shall be governed by the provisions of this act, and in case there are one or more graded school districts in the township having a population of nine hundred or less, the qualified school electors in such graded districts shall have the right to sign the petition hereinafter mentioned, and vote on the question of the establishment of such township district, and such graded districts shall become a part of the township district. The question of changing any organized township into a single school district to be governed by the provisions of this act, shall not be submitted to the qualified school electors of said township until a petition therefor, signed by one-fourth of the qualified school electors of such township, requesting the submission of such proposition, shall be filed in the office of the township clerk. Upon the receipt and filing of such petition, it shall be the duty of the township clerk to call a meeting of the township board and it shall be the duty of the township board of such township to attend such meeting, which shall be held not more than five days after the filing of such petition. It shall be the duty of the said township board at such meeting to consider the said petition with the names appearing thereon, and if it be found and determined that one-fourth of the qualified school electors of said township have signed the said petition requesting that the said township of which they are residents be organized as a single school district under the provisions of this act, it shall be the duty of the township board to call an election at which the question of the organization of the said township into a single school district shall be submitted to the qualified school electors of such township. Such election shall be called by the township board within thirty days after the meeting of the township board at which it is determined that the petition herein provided for is sufficient: Provided, however, That if any such petition is determined to be sufficient not more than four months and not less than twenty days prior to the annual township election, such question shall be submitted at the annual township election. The amount so withheld shall be credited to said retirement fund.

2. Annuities shall be paid quarterly to the teachers entitled thereto, upon the warrants or orders of the retirement fund board. Vouchers or receipts therefor shall be signed in duplicate by annuitants. I hereby certify that the above is a faithful and correct register of said school.

A..... B..... Teacher.

Note.—The above register, properly certified by the teacher, should be filed with the director of the district immediately after the close of the school. Each column under the head of "attendance in day" is designed to embrace the number of days present each week, and the sum of days present during the term given in the eighteenth column to the right ("total days' attendance"). The word "for weeks commencing" in the above form refers to "January" in the left hand column under the head of "Attendance in day," etc. "The term," thus "a" denotes the weeks pursued by each pupil. To ascertain the "average daily attendance" divide "total days' attendance," as found in eighteenth column, by exact number of days the school was taught during the year by qualified teacher. To ascertain "percentage of attendance," divide "average daily attendance," by total number of pupils enrolled. Under the proviso of (4830) Sec. 15, the teacher is required to certify in the register, before placing it in the hands of the director, whether or not instruction has been given in physiology and hygiene, with special reference to the effect of alcohol and narcotics upon the human system, in the school or grade presided over by the teacher.
